Kindle Self-Publishing for Beginners: Step by Step Author's Guide to Writing, Publishing and Marketing Your Books on Amazon James Moore, 2021-09-10 HERE IS YOUR VERY OWN AWESOME GO TO GUIDE A STEP BY STEP WITH NO STEPS MISSED YES THIS IS AMAZON'S ULTIMATE EBOOK AND PAPERBACK PUBLISHING BEGINNERS BOOK How would you like to make money off books you didn't even write Hi my name is James Moore and I'd like to congratulate you for deciding to take a big

look at one of the greatest passive income streams around Amazon has reported that for every 100 printed books they've sold they have also sold 105 Kindle books. This trend shows no signs of slowing down anytime soon.

Writing, Publishing and Marketing Your Books Kindle publishing is the perfect passive income stream for the budding entrepreneur to get his/her feet wet in making REAL money online. You'll learn all the steps to get books published onto Amazon even if you have no prior skills in writing so you can make a passive income stream even while you sleep.

Finding Profitable Niches In this section we'll get a proper understanding of great niches and genres. There's no use selling books if they won't make the cash you seek. Here we'll take the guesswork out. We'll look at the key criterion for finding successful niches, a great way of brainstorming for potential niches and some further links and resources to help you on your way.

Creating Titles Which Sell This is important and is the x-factor with regard to any publishing business. And I will explain why in this section. Here you'll learn the most important 3 things that will sell your book including a bestselling author story, everything you need to create your bestselling title, some great title examples and some bad title examples too.

Designing a Cover That Sells We'll also discover the way we can promote our book with a fantastic eye-catching cover. A book tells a thousand words through this factor alone. We'll learn all about outsourcing your cover on Fiverr, giving the designer your instructions and using images to promote and make your book cover stand out from the rest.

Kindle Book Creation This stumps so many publishers and in this title I'll give you a sure-fire way to get it right. We'll see how you can focus on quality not quantity and how you can really truly create your very own Kindle book on the Amazon platform.

Boosting Amazon Rankings Another top secret I'll share with you just so you can dip your toes in and get the cash flowing in far more easily. Yes, you'll learn how Amazon ranks Kindle books, how you can improve your book's rankings and how you can utilize Amazon's Wish List to your benefit.

Monetizing Your Books We need to get a good cash flow coming in. There are a few things here that will take your publishing game to the very next level. You'll get clarity on analyzing your book results and in picking the best pricing for your book. We will also delve into some more amazing monetizing options to help you get even more value.

Building a Series and Monetizing the Backend I'll show you how you can cross-promote your books to make money in even more ways including tracking links. I'll also teach you some backend tips that will see even more cash flow coming into your metaphorical pie. Here I'll give you further links and resources for you to use each step of the way.

Publishing a Paperback with CreateSpace Leave other publishers in the dust with my thorough explanation of CreateSpace. I'm going to show you my way. Yes, it really works. You'll understand exactly why you should publish on CreateSpace, the step-by-step process of publishing your book into a paperback and just how much readers love to be given the choice to choose different versions of your amazing title.

A Seriously Useful Author's Guide to Marketing and Publicising Books

Mary Cavanagh,2009 Gone are the times when most authors could relax and let their publisher sell their book for them Nowadays in a climate of increasing commercialisation the majority of authors both new and established are discovering that they get no help at all For the self published a rapidly expanding market this has always been largely the case but now nearly all authors are faced with the task of having to market and publicise their own book The prospect is a daunting one but without some form of self input it is rare for any book to sell in significant quantities However exactly what needs to be done to generate sales and to create a reputation for a book is often a mystery Thus Seriously Useful aims to demystify the processes in a concise lively and highly readable way Although primarily concerned with making sales it also offers some

very useful pre publication advice including the options and benefits of self publishing In addition it reveals some essential inside information on how the books trade works so the author has an excellent understanding of their book s journey from manuscript to publisher to wholesaler to retailer to reader There are also some very useful contributions from other mainstream and self published authors Written by Mary Cavanagh a novelist and short story writer who has had first hand experience of both mainstream and self publishing Her previous work includes The Crowded Bed Transita 2007 and A Man Like Any Other The Priest s Tale Matador 2008 9 Critical Steps to Successful Self-Publishing Bryna Kranzler,2016-01-05
