It was a dramatic act of defiance against Britain. King George realized that Britain was losing control of the colonies and passed the Coercive Acts. American Colonists called them the intolerable acts. They said that any colonist caught trying to rebel, would have harsh punishments. It banned any town meetings in Massachusetts. It also closed Boston harbor until the colonist paid for all ruined tea. This prevented the arrival of food and supplies from reaching the colonists in Boston.

Congress offered the Olive Branch petition to King George III. He refused to accept.*
- 12) Why did the stamp act cause more resistance among ordinary people in the colonies than did the Sugar Act?
It taxed the colonists directly without their consent and effected more people because all printed materials were being taxed. The sugar act only effected those who were smuggling
- 13) Which group of people had more reason to resist the Tea Act of 1773, colonial tea merchants or colonial tea drinkers? Why?
*Colonial Tea Merchants
This act gave Britain the right to ship tea to the colonists without paying most of the taxes usually placed on tea. This made Britain Tea, The East India Company, cheaper than colonial tea. The tea act gave the Company an unfair advantage over colonial merchants.*
