Workbook for Entrepreneurship and Innovation Tim Mazzarol, Sophie Reboud, 2019-11-28. This book provides an overview of the theory, practice, and context of entrepreneurship and innovation at both the industry and firm level. It provides a foundation of ideas and understandings designed to shape the reader's thinking and behaviour to better appreciate the role of innovation and entrepreneurship in modern economies and to recognise their own abilities in this regard. The book is aimed at students studying advanced levels of entrepreneurship, innovation, and related fields, as well as practitioners, for example managers, business owners. As entrepreneurship and innovation are largely indivisible elements and cannot be adequately understood if studied separately, the book provides the reader with an overview of these elements and how they combine to create new value in the market. This edition is updated with recent
