MIXERMAN'S Ultimate Guide to PRODUCING Records, Music & Songs Mixerman ,2025-05-12

Let s face it These days everyone is a producer Artists have to be producers songwriters have to be producers musicians have to be producers Recordists and mixers have to be producers and most of those producers now have to be recordists mixers and mastering engineers too Rather than reject that reality in an attempt to hold onto some archaic elitist notion of the past I set out to write a modern producing guide that meets the needs of today s music makers That turned into a monumental task Nearly 600 pages later I ve written the most comprehensive book I ve ever published on producing recorded music Making records is hard Misinformation is everywhere And most of us are wearing multiple hats just to get the job done Today you need to learn it all which is a problem considering it took me nearly my entire career thus far to learn everything I share in this guide It takes years of dedicated focus across varied real world situations to master any one discipline It s absolutely insane to try to master them all at once But that s the world we live in and that s why I wrote this book As a gold and platinum award winning mixer engineer and producer my goal was to create an essential no BS guide full of battle tested strategies for producing professional quality music whether for yourself or others at home or in a full scale studio Making music is an art The decision making process requires a human perspective This book comes from my unique experience as a professional music maker developed over decades of technological shifts and evolving musical trends I don t just tell you how to produce music I tell you why I make certain decisions and why you might make certain decisions whether musical technical organizational or political in nature There s insight in this book you won t find anywhere else Covers everything songwriting arranging recording mixing mastering engineering acoustics creative vision and studio politics For Home Producers Songwriter Producers Self Producers and For Hire Producers if you make music this book is for you Cuts through the BS no useless jargon no academic fluff just real world practical advice and explanations that focus on what s most important Your mix is your production Your production is your mastered mix If you want to create professional competitive and emotionally impactful music this Guide will prove invaluable a resource you ll return to for years to come
