Islamophobia and Psychiatry H. Steven Moffic, John Peteet, Ahmed Zakaria Hankir, Rania Awaad, 2018-12-17 The book begins by covering the general and clinical challenges that are unique to Muslims drawing from an internationally ethnically and intergenerationally diverse pool of experts The text covers not only how psychiatrists and other clinicians can intervene successfully with patients but how we as clinicians can have a role in addressing other societally connected mental health challenges arising from Islamophobia The text addresses three related

but distinct areas of interest Islamophobia as a destructive force Islam as a religion that is threatened by stigma and misinformation and the novel intersection of these forces with the field of psychiatry Islamophobia and Psychiatry is a vital resource for all clinicians and clinicians in training who may encounter patients struggling with these issues including adult and child psychiatrists psychologists primary care physicians counselors social workers and others Innovative Technologies and Learning Tien-Chi Huang,Ting-Ting Wu,João Barroso,Frode Eika Sandnes,Paulo Martins,Yueh-Min Huang,2020-11-20 This book constitutes the refereed proceedings of the Second International Conference on Innovative Technologies and Learning ICITL 2020 held in Porto Portugal in November 2020 The 65 full papers presented together with 2 short papers were carefully reviewed and selected from 127 submissions The papers are organized in the following topical sections Augmented and Virtual Reality in Education Educational Data Mining and Learning Analytics Emerging Issues and Trends in Education Innovative Learning in Education Online Course and Web Based Environment Technology Enhanced Learning Application and Design of Innovative Learning Software and Science Technology Engineering Arts and Design and Mathematics Due to the Corona pandemic this event was held virtually *Biodiversity and Education for Sustainable Development* Paula Castro,Ulisses M. Azeiteiro,Paula Bacelar-Nicolau,Walter Leal Filho,Anabela Marisa Azul,2016-05-26 This book gathers interdisciplinary reflections from researchers educators and other experts on the subject of biodiversity closer to education and learning The book also highlights its role as an added value to strategic principles for healthy ecosystems and sustainable human development It promotes critical thinking and foster practices and attitudes for Education for Sustainable Development reconciling education with principles of human behaviour and nature Readers especially find this book a timely resource in light of the Strategic Plan for Biodiversity 2011 2020 the Aichi Targets and the new EU biodiversity strategy Our life insurance our natural capital an EU biodiversity strategy to 2020 Along with the challenge of ecosystems and public health biodiversity conservation is essential for humanity s continued security and sustainability as it touches on all aspects of people s lives *Diffractional Technospaces* Federica Timeto,2016-03-09 The entanglements of information and materiality in our media environment that new information and communication technologies make increasingly mobile and locative changes the mediations between space and society The fluidity and continual reworking of the boundaries of contemporary technospaces the sociotechnical environments in which humans and machines relate and intersect is key to the production and consumption of contemporary technologies Theoretical analyses of communication and space have tended to engage in the representation of such changes without interrogating the representational instruments used at a broader methodological level Articulating a non representational perspective on knowledge production and artistic practices combined with an analysis of space this book offers a new performative and relational re turn to representation in contemporary technospaces The radically materialist posthumanist and performative position from which this situated aesthetics of technospaces is elaborated aligns this book not only with non representational theory but also with the theories

of material feminism feminist geography situated epistemologies science and technology studies actor network theory performance studies and new media studies **Finweek** ,2006-07 **Educational Access and Excellence** Tapas R. Dash,Manaranjan Behera,2018-01-30 The Association of Southeast Asian Institutions of Higher Learning ASAIHL has been playing an important role in educational development to promote innovative teaching research and cooperation among institutions of higher learning Build Bright University BBU Cambodia had organized the 2015 ASAIHL International Conference during 2 4 December at Siem Reap The main theme of the conference was Educational Access and Excellence The conference covered three sub themes namely i cross border higher education in global context ii excellence in education through provision of technology effective teaching and research and iii student learning outcomes Delegates from France UK Japan Singapore Hong Kong India Thailand Malaysia Philippines Vietnam Taiwan East Timor Cambodia and others had participated in the conference *ICICKM 2018 15th International Conference on Intellectual Capital Knowledge Management & Organisational Learning* Prof. Shaun Pather,2018-11-29 *ECSM 2017 4th European Conference on Social Media Academic Conferences and Publishing Limited*,2017-07-03 *Disrupting Shameful Legacies* Claudia Mitchell,Relebohile Moletsane,2018-08-14 Much has been written in Canada and South Africa about sexual violence in the context of colonial legacies particularly for Indigenous girls and young women While both countries have attempted to deal with the past through Truth and Reconciliation Commissions and Canada has embarked upon its National Inquiry on Missing and Murdered Indigenous Women and Girls there remains a great deal left to do Across the two countries history legislation and the lived experiences of young people and especially girls and young women point to a deeply rooted situation of marginalization Violence on girls and women s bodies also reflects violence on the land and especially issues of dispossession What approaches and methods would make it possible for girls and young women as knowers and actors especially those who are the most marginalized to influence social policy and social change in the context of sexual violence Taken as a whole the chapters in *Disrupting Shameful Legacies Girls and Young Women Speaking Back through the Arts to Address Sexual Violence* which come out of a transnational study on sexual violence suggest a new legacy one that is based on methodologies that seek to disrupt colonial legacies by privileging speaking up and speaking back through the arts and visual practice to challenge the situation of sexual violence At the same time the fact that so many of the authors of the various chapters are themselves Indigenous young people from either Canada or South Africa also suggests a new legacy of leadership for change

The Routledge Handbook for Advancing Integration in Mixed Methods Research John H. Hitchcock,Anthony J. Onwuegbuzie,2022-05-10 This groundbreaking edited book *The Routledge Handbook for Advancing Integration in Mixed Methods Research* presents an array of different integration ideas with contributions from scholars across the globe This handbook represents the first major volume that comprehensively discusses this topic of integration Perhaps the most fundamental and longstanding question in mixed methods research is How does one best integrate disparate forms of

information to produce the best form of inquiry Each of the 34 seminal chapters in this handbook accelerates the discussion of integration across a broad range of disciplines including education arts based analyses and work in the Global South as well as special topics such as psychometrics and media research Many of the chapters present new topics that have never been written about before and all chapters offer cutting edge approaches to integration They also offer different perspectives of integration leading the introductory chapter to offer a new and comprehensive definition for integration as follows referring to the optimal mixing combining blending amalgamating incorporating joining linking merging consolidating or unifying of research approaches methodologies philosophies methods techniques concepts language modes disciplines fields and or teams within a single study The concluding chapter offers a meta framework that accounts for this definition and is designed to help scholars think more about integration in a way that represents a continuous dynamic iterative interactive synergistic and holistic meaning making process This handbook will be an essential reference work for all scholars and practitioners using or seeking to use mixed methods in their research
