This model is designed to provide a framework for the development of a curriculum plan for the year 2000-01.

Key components:

1. **Standards:** The standards for the year 2000-01 are the foundation for the curriculum plan. They are the minimum level of achievement that all students should attain by the end of the year.

2. **Objectives:** Objectives are specific, measurable, and achievable goals that are derived from the standards. They are the specific outcomes that the curriculum plan is designed to achieve.

3. **Activities:** Activities are the specific tasks and experiences that students will engage in to achieve the objectives.

4. **Assessment:** Assessment is the process of measuring student learning and achievement. It is used to determine whether the objectives have been met and to provide feedback to students and teachers.

5. **Resources:** Resources are the materials and tools that are used to support the curriculum plan. They include textbooks, worksheets, and other instructional materials.
