Alberti,2024-11-27 Cold War Museology is the first volume to bring together interdisciplinary and international contributions from leading practitioners and academics specialising in Cold War museology Bringing the most recent historiography of the Cold War into conversation with museological theory and practice chapters within the volume analyse the current condition of Cold War museology By unpicking some of the unique challenges facing museum specialists dealing with the Cold War this book takes a lead in developing the collection display and interpretation of this history The chapters question what makes a Cold War object address the complexity of Cold War time face up to questions of Cold War race gender and imperialism and reveal how to materialise the Cold War imaginary in museums Most importantly perhaps the volume demonstrates that a consideration of the interconnecting forces of global twentieth century history enables experts to add important complexity and nuance to the narratives with which they work and improve visitor understandings through innovative interpretations Cold War Museology will encourage readers towards a more nuanced holistic and inclusive approach to Cold War materiality in museums It will be of great interest to academics museum professionals and students engaged in the study of museums heritage and the Cold War as well as those with an interest in archaeology media culture and memory *Heavy Metal Music and the Communal Experience* Nelson Varas-Díaz,Niall W.R. Scott,2016-08-03 It is common to hear heavy metal music fans and musicians talk about the metal community This concept which is widely used when referencing this musical genre encompasses multiple complex aspects that are seldom addressed in traditional academic endeavors including shared aesthetics musical practices geographies and narratives The idea of a metal community recognizes that fans and musicians frequently identify as part of a collective group larger than any particular individual Still when examined in detail the idea raises more questions than answers What criteria are used to define groups of people as part of the community How are metal communities formed and maintained through time How do metal communities interact with local cultures throughout the world How will metal communities change over the lifespan of their members Are metal communities even possible in light of the importance placed on individualism in this musical genre These are just some of the questions that arise when the concept of community is used in relation to heavy metal music And yet in the face of all these complexities heavy metal fans continue to think of themselves as a unified collective entity This book addresses this notion of metal community via the experiences of authors and fans through theoretical reflections and empirical research Their contributions focus on how metal communities are conceptualized created shaped maintained interact with their context and address internal tensions The book provides scholars and other interested in the field of metal music studies with a state of the art reflection on how metal communities are constituted

while also addressing their limits and future challenges *Living Genres in Late Modernity* Charles Kronengold,2022-08-30

Living Genres in Late Modernity rehearses the American 1970s through the workings of its musical genres Exploring stylistic developments from the late 1960s through the early 1980s including soul funk disco pop the nocturne and the concerto Charles Kronengold treats genres as unstable constellations of works people practices institutions technologies money conventions forms ideas and multisensory experiences What these genres share is a significant cultural moment they arrive just after the sixties and are haunted by a sense of belatedness loss or doubt even as they embrace narratives of progress or abundance These genres give us reasons and means to examine our culture s self understandings Through close readings and large scale mappings of cultural and stylistic patterns the book s five linked studies reveal how genres help construct personal and cultural identities that are both partial and overlapping that exist in tension with one another and that we experience in ebbs and flows *The Black Comedy of John Guare* Gene A. Plunka,2002 This book the first full length study of Guare s theater will make his plays more accessible through an examination of the often unnerving type of black comedy that makes his plays work *Site-Seeing Aesthetics* Lene M. Johannessen,2020-11-30 *Site Seeing Aesthetics* California Sojourns in Five Installations takes the reader to Dodger Stadium Fort Ross Chinese Camp the Winchester House and letters from the Gold Country in a writing and reading of cultural time and site performance These sojourns are informed by insights from among other literary and cultural studies site specific performance studies human geography archeology and history into a kind of literary chorography Along the road the book considers how places come before us as dramatized hybrid creations of layered and haunted scripts In its interdisciplinary nature *Site Seeing* in California thus gestures to alternate paths into our time s fascination with place region and memory engaging also with questions of and dialogues between region and transnationalism in their aesthetic reflections *The Hollywood Reporter* ,2006
