Basis of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book

Loscalzo shows how to develop evangelistic sermons that will appeal to today's audiences. He includes a rationale for evangelistic preaching, sample sermons, and lots of practical advice. Faithful Preaching Tony Merida, 2009 Faithful preaching is the responsible, passionate and authentic declaration of the Christ exalting Scriptures by the power of the Spirit for the glory of the triune God. Publisher's Description **Deep Preaching** J. Kent Edwards, 2009 J. Kent Edwards recalls a story that late pastor J. Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds. The precious stones were being handled with no regard for their true worth. Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process. Deep Preaching is his call to rethink preaching. Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers. He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table. He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows. He urges them to preach deep sermons rather than superficial ones, moving beyond the yawn-inspiring to the awe-inspiring, from the trite to the transforming.

Don't Quit Your Church Jeffrey D. Brown, 2017-07-26 Don't Quit Your Church is a foundational philosophy of ministry that serves two distinct purposes. First, it serves as hope for struggling ministers who are suffering from perceived failure in the ministry and are strongly considering resigning their current position. Secondly, it offers insight to those who are at the beginning stages of discovering a biblical and unique approach to ministry. The clergy of the postmodern era are in crisis. The level of today's challenges has reached fever pitch, and the

church throughout most of the world is not able to hold her own ground When the daily news informs those of faith that the good fight is turning into a rout the church is forced to rethink her strategy This begins with the minister The stability of the minister's purpose and calling are of the utmost importance Unfortunately today's minister lives with many misconceptions about the work of the calling This has resulted in frustrated pastors consistent discouraging results souring relationships and eventually the minister chooses to walk away Don't Quit Your Church is a plea for the struggling minister to move from emotional reaction to thoughtful consideration and from frustration to resolve Serving as both a foundational philosophy of Christian ministry and a help in time of trouble this work should be read and reread by those who desire a ministry and approach that will endure during the difficult days ahead *The Dynamics of Biblical Preaching* Jonathan Lamb, 2016-09-30
