

10 Page Research Paper Outline

An organized research paper should:

1. Be focused on a thesis statement
2. Use sources to support the thesis
3. Apply different sources to use different ideas and information to support an argument
4. Cite the sources used

Introduction

Usually two paragraphs in length.

Encompasses a brief story about the entailed research paper topic.

Should include:

- Hook
- General overview of the topic
- Statement of relevance
- Thesis statement
- Transition to the first Body paragraph

Body

Should have different parts with clear subheadings.

Could be in as many parts as 4, 5, or even more, depending on the number of ideas.

Key argument #1

Should include:

- Main idea
- Topic sentence
- Evidence (quote)
- Transition to the next Body paragraph

Key argument #2

Should include:

- Main idea
- Topic sentence
- Evidence (quote)
- Transition to the next Body paragraph

Key argument #3

Should include:

- Main idea
- Topic sentence
- Evidence (quote)
- Transition to the next Body paragraph

Conclusion

Should be about 2 paragraphs long.

First paragraph should recapture the thesis statement.

Second paragraph should explain why the paper's argument(s) is/are characteristic to the understanding of the entailed phenomenon.

Should include:

- Restatement of the thesis statement
- Summary of the key points
- Food for thought

Bibliography

Include all the sources used in researching for the research paper.

Student Intern Program, 1987

Finding Mrs. Warnecke Cindi Rigsbee, 2010-03-15 Finding Mrs Warnecke tells the inspiring story of Cindi Rigsbee a three time Teacher of the Year and Barbara Warnecke the first grade teacher who had a profound and lasting impact on Cindi's life Cindi an insecure child who craved positive attention started her first grade year with a teacher who was emotionally abusive and played favorites in the classroom Two months into the school year her principal came into the classroom and announced that half the students were being moved to another classroom a dank windowless basement room with a young and inexperienced teacher This change turned out to be the best thing that ever happened to Cindi Her new teacher Mrs Warnecke made learning come alive for her students She went overboard caring for each child made her classroom magical and encouraged students to pursue their dreams Although Cindi was reluctant to explore her creativity as a student Mrs Warnecke encouraged her to read and write poetry which became a lifelong passion The two kept in touch for several years but lost track of each other when Mrs Warnecke moved out of state Cindi spent many years trying to reconnect so she could thank Mrs Warnecke for making such a difference in her life but to no avail Eventually Cindi became a teacher herself and thirty years later she has taught more than 2 000 children and been named Teacher of the Year for her home state She later came to realize that all those years she wasn't really trying to track down Barbara Warnecke but rather she was trying to find Mrs Warnecke within herself In Fall 2008 Cindi and Barbara were reunited on Good Morning America the

show s producers had tracked Barbara down and brought both women on set for a tearful reunion Barbara was floored at this attention she had no idea she could have made such an impact on a former student s life As Cindi travels around talking with new and veteran educators she is always approached by audience members who are moved to tears and want to share the story of the Mrs Warnecke in their own lives Finding Mrs Warnecke not only tells the story of this teacher who made a lifelong impact on her students it illustrates the importance of the teacher student relationship in the classroom and offers principles for other teachers to follow to make a positive impact in their own classrooms *Department of Commerce*

Appropriation Bill for 1938 United States. Congress. House. Committee on Appropriations,1937 **Health Promotion & Education Research Methods** Randy Cottrell,James McKenzie,2011 The main objective in writing a thesis or dissertation is to teach students how to conduct research in a planned and systematic way Health Promotion Education Research Methods Second Edition provides a comprehensive and thorough presentation of the skills and processes needed to complete high quality research Students will receive an overview of the different approaches to research methods and are introduced to the five chapter thesis or dissertation format Each chapter contains information relevant to the writing of one or more chapters of a thesis or dissertation *Student Intern Programs* United States. Department of State. Bureau of Personnel,1987

novel practices and technologies and the importance of student involvement in building a culture of academic integrity. Examples are the outreach efforts towards a range of non educational organisations, the exploration and comparison of ethical policies and actions in different institutions and the improvement of student responses in research on sensitive topics. It explores a range of scenarios and strategies adopted in different parts of the world during the COVID 19 pandemic and addresses new technological advances for investigating types of academic misconduct that are difficult to find, including translation plagiarism, contract cheating, the usage of the proctoring systems and the innovative use of data mining to detect cheating on on line quizzes. The work shows how working with students is an essential part of the fight against academic misconduct. The student voice can be a powerful source of motivation for students but educators also need to understand their perspectives, especially regarding such an important topic as academic integrity.
