101 Questions to Ask Each Other Before Getting Married Azad Chaiwala, 2018-09-27 This book consists of 100 tried and tested hugely significant compatibility questions that everyone needs to ask their future spouse prior to getting married to them One practical way of doing this is by way of what I call Marriage Meetings Introducing Marriage Meetings A marriage meeting is where your potential partner and yourself plus two additional people get together in order to learn about each other The questions in this guide will be how you learn about each other without missing anything important Just as a pilot has a checklist before takeoff you have a checklist before getting married You don't have to understand how it works just have faith that it does and should you prevail and still marry this person opposite you then I can promise you that you will have a very high chance of a successful marriage What's the purpose of a marriage meeting Most relationships fail gradually Over time you learn new things about your partner some of which are not to your liking and thus negativity and regret starts to build up eventually leading to the failure of that relationship Marriage meetings allow you to get all the skeletons demons out of the closet before any commitment is made Where should this meeting take place The marriage meeting should take place somewhere public It is absolutely important that you are not hidden away and there should be a safe and comfortable way for one party to leave should they choose to Pick somewhere quiet like a coffee shop a park etc somewhere populated but not too busy as to cause distraction or inconvenience Who will attend Both of you should bring one additional person Let's call them your check mate the mate who keeps you in check This is a responsible person who will have a level head and look out for your best interests

Choose someone who will not hesitate to scrutinise the other person ask the questions maybe you will shy away from and ensure your are being the real you This person must be your senior though not necessarily age wise This could be a colleague a boss a family friend a senior family member or maybe someone of high standing from within your community The person you bring must be someone you trust and you must listen to them when they bring up concerns They must absolutely not be a yes man who will just go along with what you say otherwise they are useless to you Marriage Meetings are not dates These meetings are not to be confused with dates During dates one tends to woo and aim to please their potential partner in what I refer to the human equivalent of the mating dance But in marriage meetings one should set out to ask the questions so as to get a clear picture of their potential partner s stance in comparison to your own Why Marriage Meetings work and Conclusion I have done this personally and it has turned out quite awesome To me this is the practical method of getting married Some may not agree with my methodology and to them I wish good luck I am not here to say things that people want to hear but to make you happy in the long term I call it tough love The reason Marriage Meetings work is because you have no commitment with your potential spouse In most modern relationship people want to ask these questions but they don t due to fear of rejection or a backlash If your potential spouse is hesitant to follow this guide and methodology then perhaps they re not sincere about you or marriage Should you come up with a question of your own that I have not covered ask it and let me know too so I can add it to this guide Marriage is a life commitment and having a sudden crush is not good enough to sustain it A marriage must go deeper than that Continue inside the Book How the marriage guide came into being How to ask these questions and the 100 Questions to Ask Each Other Before Getting Married [Waiting While Dating](#) Lindsey Holder, 2017-09-01 Dating in modern times can be confusing and seem more complicated than ever How do you date and get close to someone while keeping God first When meeting someone new there are many questions and scenarios to be thought about Should he pursue first How often should you spend time together When should you start attending church as a couple Should you serve in the same area When into the relationship should you hold hands or kiss What do social media boundaries look like While these specific questions are not directly answered in the Bible it is comforting to know six couples who kept God first in the relationship and yet each had different answers to these questions and more Waiting While Dating interviews six Christian couples who had different backgrounds and situations some had been previously married and some had not The couples span from meeting in their twenties to thirties and forties Each couple opens up and gives personal insight on what attracted them to their current spouse how they held each other accountable what leadership from the man looked like in the relationship what patience looked like from the female perspective and many more intimate details Whether you re heading out on that next first date are pondering about your current relationship or whether you re in the engagement phase let Waiting While Dating open up some questions to help you keep God first while on your journey to finding your forever
