Twelve Biblical Steps to a Successful Marriage David S. Thompson, 2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God In Twelve Biblical Steps these Biblical principles will be carefully analyzed and clearly explained so that every Christian couple can grasp their significance and begin to carry them out in their marriages Some of these Biblical principles that are covered in this book are as follows Follow the instructions Building a spiritual network Becoming friends not just roommates Avoiding the triple threats Fight to unite not divide This book is not intended to cover all the challenges that married couples face It is not an in depth analysis of relationship issues It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family However it is a book that seeks to dig into God's Word and apply His truth to the marriage relationship The hope of this author is that the chapters that follow in this book will enable the husband and the wife to develop a marriage that is a success and so become examples for a new generation to follow Dr David S Thompson has pastored churches in Queens New York and in the Cayman Islands and in upstate New York He and his wife Judith have been married over 33 years and have raised five children He currently is the Professor of Bible and Missions at Trinity Baptist College *God's Word in Human Words* Kenton L. Sparks, 2008-03-01 The conclusions of critical biblical scholarship often pose a disconcerting challenge to traditional Christian faith Between the two poles of uncritical embrace and outright rejection of these conclusions is there a third way Can evangelical believers incorporate the insights of biblical criticism while at the

same time maintaining a high view of Scripture and a vital faith In this provocative book Kenton Sparks argues that the insights from historical and biblical criticism can indeed be valuable to evangelicals and may even yield solutions to difficult issues in biblical studies while avoiding pat answers This constructive response to biblical criticism includes taking seriously both the divine and the human aspects of the Bible and acknowledging the diversity that exists in the biblical texts **Book of Mormon Onomasticon & Theological Word Study** Robert F. Smith,2024-12-31 Complete list of Book of Mormon words and names and their variants with likely etymologies offered including theological words and concepts [Psalms 42-89: A Christian Union Bible Study](#) Christian Union,2022-11 The Christian Union Bible Study Series will empower you to learn Scripture as never before These guides are more exegetically focused and academic than a devotional book yet more accessible and application oriented than a commentary Proven on the campuses of Ivy League universities these Bible studies provide a deep understanding of the biblical texts through explanations about translations historical background literary genres and the meanings of Hebrew and Greek words They draw from the best biblical scholarship available presenting it in an accessible and concise format This series is perfect for people who want to grow in their faith through in depth studies of Scripture that supplement their regular Bible reading In 10 lessons this book of Bible studies will help you dive deeply into Psalms 42 89 either on your own or in a group context *Word Studies in the New Testament: The epistles of Paul* Marvin Richardson Vincent,1890 *Women, Leadership, and the Bible* Natalie R. Wilson Eastman,2014-05-16 What do you believe about women s roles in church leadership Should women lead groups that include men Should women preach Should women be ordained More importantly why do you believe what you believe Plenty of books exist telling women what to think precious few help women think for themselves particularly about theological issues *Women Leadership and the Bible* helps women learn to interpret the Bible and discern for themselves answers to their questions about women s roles in the church along with any other issue they may face in life In straightforward plain language Dr Natalie Eastman introduces women to a five step easy to follow process for studying the Bible and interpreting what they study This book encourages women that they can think for themselves and can analyze significant theological issues despite any hesitations they may have any conflict surrounding an issue or any lack of theological training By the time readers finish this book they will have a biblically defensible theologically reasoned and thoroughly discerned understanding of what they believe Scripture says about women s roles and how that understanding could play out within the church No longer will they feel as though they have nothing to contribute when the subject of women s roles or any other of life s theological questions arises *Word Studies in the New Testament: The Epistles of Paul: Romans, Corinthians, Ephesians, Philippians, Colossians, Philemon* Marvin R.
