It's Not Just Gym Anymore Bane McCracken, 2001 This book doesn't just help students recognize and learn physical skills and understand why physical activity and fitness are important. It also keeps them motivated by showing them that they don't have to be athletic to be fit and by presenting more diverse activities that they can continue to enjoy as adults such as walking, running, group fitness, outdoor adventure, golf, tennis, skiing, mountain biking, bow hunting, fly fishing, and weight training.

Smarter Workouts Pete McCall, 2018-12-28 What are the biggest obstacles to sticking to a workout plan? You don't have enough time. It costs too much. You don't have enough equipment. You don't know how to get the results you want. Now you can set those excuses aside. Smarter Workouts: The Science of Exercise Made Simple gives you the solution you need with efficient and effective workout programs that use only one piece of equipment. You can work out in a short period of time without spending a lot of money on expensive equipment or gym memberships, all while targeting your personal goals. Exercise doesn't have to be difficult to figure out. In Smarter Workouts, fitness expert Pete McCall explains the effects of exercise on your body so you can identify what will work best for you. He gives you access to fat burning workouts that help you work smarter to produce real results. First, choose your target: improving mobility for better balance and coordination, strengthening your core for better functional movement, or amping up your metabolism with sweat-inducing conditioning work. Then, select one of seven equipment options to perform your workout: Bodyweight, Dumbbell, Kettlebell, Medicine ball, Stability ball, Sandbag, Resistance band. Armed with a variety of exercises and organized plans, you'll flow quickly through your workouts, saving precious time and experiencing real results. Put an end to your frustration and let Smarter Workouts be your go-to guide for smart, effective workouts. Earn continuing education credits. A continuing education exam that uses this book is also available. It may be purchased separately or as part of a package that includes both the book and exam.
