

How to Write a Fantasy Series: Do's and Don'ts

Don't

Be unoriginal with fantasy tropes

What makes your world or mythical creatures unique?

Use clichés without your own twist

A portal's working should be credible for your world.

Use stock characters with no detail

Avoid blank hero-orphans or endlessly wise and capable, staff-carrying wizards.

Do

Make tropes your own

E.G. J.K. Rowling makes broomsticks sports equipment.

Update clichéd plot devices

Rowling's portal is an ordinary, real-world train station.

Make characters believable

Give each character motivations, goals, strengths, fears and flaws. Even Gandalf makes mistakes.

Excellent Habits - a guide Chris Lowry,2024-01-20 Habits and routines are often the key to achieving success in any area of life They help us to streamline our actions reduce decision fatigue and create a sense of structure and order in our lives By incorporating positive habits and routines into our daily lives we can create a solid foundation for success and build momentum towards our goals One of the most significant benefits of developing positive habits and routines is that they help to establish a sense of discipline and consistency When we have set times and behaviors for specific tasks we re more likely to follow through with them This consistency creates a sense of reliability and can help us to build trust with others as well as our own self confidence Another advantage of developing positive habits and routines is that they help to improve our productivity When we know what to expect and how to go about our daily tasks we waste less time and can accomplish more in less time By prioritizing our tasks and having a structured plan for how we approach them we can avoid the feeling of being overwhelmed and can focus on the most important tasks at hand Moreover positive habits and routines can also have a positive impact on our mental and physical health Engaging in healthy habits such as regular exercise meditation and a balanced diet can help us to manage stress increase our energy levels and improve our overall well being Incorporating regular breaks and time for self care into our routines can also help to prevent burnout and increase our resilience in the face of challenges Developing positive habits and routines requires discipline patience and a willingness to stick to a plan It may be challenging at first but with consistent effort it becomes easier over time Start by identifying the

areas in your life that could benefit from positive habits and routines Create a plan for how you will incorporate these habits into your daily life and then commit to following through with that plan developing positive habits and routines can have a significant impact on our lives They can help us to establish discipline and consistency improve our productivity and promote our mental and physical health By incorporating positive habits and routines into our daily lives we can create a solid foundation for success and achieve our goals with greater ease *The Writer's Guide to Psychology* Carolyn

Kaufman,2010-12-01 An accurate and accessible survey of modern psychological theory and practice this reference offers professional writers practical advice for incorporating psychological elements into their work With easy to understand explanations and definitions this book is an invaluable resource for any writer wishing to add realistic details to scenes that depict psychologists mental illnesses and disorders and psychotherapeutic treatments Designed around the needs of professional fiction and nonfiction writers this is an easy to use resource that includes historical and modern psychological treatments and terms and refutes popularly held misconceptions **Prince of Tricks** Jane Kindred,2021-07-12 When desire rises angels will fall Over the past century Belphegor has made a name for himself in Heaven's Demon District as a card sharp thief and charming rogue Though he's content with his own company he enjoys applying the sweet sting of discipline to a willing backside angel demon and even the occasional human He's not particular But when a hotheaded young firespirit steals his purse and his heart all bets are off Vasily a former rentboy and cutpurse from the streets of Raqia has never felt safer than in the arms and at the feet of the Prince of Tricks He's just not sure if Belphegor returns his feelings The attentions of a rich angelic duke provide the perfect opportunity to find out whether Belphegor is willing to fight for him but the foolish game backfires spectacularly When the duke frames Vasily in an assassination plot Belphegor will do whatever it takes to clear his lover's name and expose the real traitor Because for the first time in his life the Prince of Tricks has something to lose See this title's page on RiptidePublishing.com for content warnings
