How to lose weight rapidly and do it FAST This is unconventional You won't see this information anywhere else And yet does it work You bet your betsy it does The truth about running that you have NOT heard before and why it's NOT the same as pavement pounding Uncommon exercises to burn fat quick These are NOT what you think my friend so if you think you already know em you're probably wrong The BEST pull up you can do one that isn't mentioned in ANY of my courses well except for a brief note here and there Extra information on handstand pushups that are NOT available in the books and courses and why weight isn't necessarily a bad thing in terms of handstands or handstand pushups and no that is NOT an excuse to be fat How you can literally imagine yourself to supreme levels of fitness Think I'm kidding think again How heavier people CAN do pull ups but it has to be a certain type of heavy This alone is worth the entire price of admission me think Bourne sprints and what they are and why they benefit you as much as they do Hint take a look at Jason Bourne doing em flat out in the initial part of the Bourne Supremacy and you'll get a hint or two as to why I use this sort of training in my routine along with pull ups galore And much much more Dive in RIGHT now

Digital Culture in the Platform Era

Shane Tilton, 2025-09-26 This book uses the roles of celebrities in society to frame discussions about digital culture in the platform era and helps us see how we have evolved online in our communication and cultural creations Focusing on the modern types of Internet celebrities influencers opinion leaders nanocelebrities and platform superstars allows us to discuss their online practices and how their work has significantly changed the ways we define our communities within increasingly fragmented digital audiences and platform users Through an exploration of the impact of social media and online communication the book highlights how we are impacted by those who dominate these platforms It identifies three essential components of digital celebrity culture personality reach and content while also providing an in depth analysis of the psychological profiles of four types of celebrities and their connection to audiences Internet celebrities can show us how to make our relationships more meaningful online by focusing on those communication practices that we learned in public speaking with a focus on informing persuading and inspiring This understanding of purposeful content empowers the average Internet user to build authentic connections in an interconnected digital landscape Celebrities are finally models of good practices when it comes to how they reach their audience Their direct messaging tends to mimic the personal conversations that they have with friends group chats are likely part of the celebrity's inner circle public postings on social media become their announcements to the general public and streaming replicates the standards of traditional media broadcasts Examining these dynamics of personalities content and reach gives us valuable insights into how we can effectively navigate digital interactions and ensure that we can craft online works that resonate with the people that we care about This book gives us the model to use practical communication techniques to be more meaningful online
