Gary McPherson, Graham F. Welch

Music Learning Award Winning:

The Oxford Handbook of Music Education, Volume 1 Gary E. McPherson, Graham F. Welch, 2012-09-13 The two volumes of *The Oxford Handbook of Music Education* offer a comprehensive overview of the many facets of musical experience behavior and development in relation to the diverse variety of educational contexts in which they occur In these volumes an international list of contributors update and redefine the discipline through fresh and innovative principles and approaches to music learning and teaching *The Oxford Handbook of Social Media and Music Learning* Janice L. Waldron, Stephanie Horsley, Kari K. Veblen, 2020 *The Oxford Handbook of Social Media and Music Learning* provides fascinating insights into the ways in which social media musical participation and musical learning are increasingly entwined *Music Learning and Teaching in Infancy, Childhood, and Adolescence* Gary McPherson, Graham F. Welch, 2018 *Music Learning and Teaching in Infancy Childhood and Adolescence* explores a comprehensive array of key issues concepts and debates related to music learning and teaching in three phases of a child's development It provides a broad framework for understanding the distinct needs and perspectives of infants children and adolescents as they relate to music *Praxial Music Education : Reflections and Dialogues* David J Elliot, 2005-01-07 *Praxial Music Education* is a collection of essays by nineteen internationally recognized scholars in music education Each essay offers critical reflections on a key topic in contemporary music education The starting point of each essay and the unifying thread of this collection is the praxial philosophy of music education explained in Elliott's *Music Matters A New Philosophy of Music Education* OUP 1995 This philosophy argues for a socially and artistically grounded concept of music and music education challenging the field's traditional absolutist foundations *Praxial Music Education* is both a critical companion to *Music Matters* and an independent text on contemporary issues in music education Among the themes discussed are multicultural music education the nature of musical understanding early childhood music education the nature and teaching of music listening music curriculum development and musical creativity *Praxial music education* is a living theory This unique collection will not only enrich discussions that already use *Music Matters* as their core but will globalize current discussions and applications of the praxial philosophy and emphasize the positive and practical values of collaborative efforts in music education **Narrative Soundings: An Anthology of Narrative Inquiry in Music Education** Margaret S. Barrett, Sandra L. Stauffer, 2012-02-27 This volume focuses specifically on narrative inquiry as a means to interrogate research questions in music education offering music education researchers indispensable information on the use of qualitative research methods particularly narrative as appropriate and acceptable means of conducting and reporting research This anthology of narrative research work in the fields of music and education builds on and supports the work presented in the editors' first volume in *Narrative Inquiry in Music Education* Troubling Certainty Barrett Stauffer 2009 Springer The first volume provides a context for undertaking narrative inquiry in music education as well as exemplars of narrative inquiry in music education and commentary from key international voices in the

fields of narrative inquiry and music education respectively Vocal, Instrumental, and Ensemble Learning and Teaching

Gary McPherson, Graham F. Welch, 2018 Vocal Instrumental and Ensemble Learning and Teaching is one of five paperback books derived from the foundational two volume Oxford Handbook of Music Education Designed for music teachers students and scholars of music education as well as educational administrators and policy makers this third volume in the set emphasizes the types of active musical attributes that are acquired when learning an instrument or to sing together with how these skills can be used when engaging musically with others These chapters shed light on how the field of voice instruction has changed dramatically in recent decades and how physiological acoustical biomechanical neuromuscular and psychological evidence is helping musicians and educators question traditional practices The authors discuss research on instrumental learning demonstrating that there is no ideal way to learn but rather that a chosen learning approach must be appropriate for the context and desired aims This volume rounds out with a focus on a wide range of perspectives dealing with group performance of instrumental music an area that is organized and taught in many varied ways internationally

Welch, 2018 Music and Music Education in People s Lives provides a broad framework for understanding the content and context of music education examining the philosophical psychological cultural international and contextual issues that underpin a wide variety of

teaching environments or individual attributes As a whole the volume explores how the discipline of music education can achieve even greater political theoretical and professional strength

Collaborative Learning in Higher Music

Education Helena Gaunt, Heidi Westerlund, 2016-05-23 In higher music education learning in social settings orchestras choirs bands chamber music and so on is prevalent yet understanding of such learning rests heavily on the transmission of knowledge and skill from master to apprentice This narrow view of learning trajectories pervades in both one to one and one to many contexts This is surprising given the growing body of knowledge about the power of collaborative learning in general underpinned by theoretical developments in educational psychology the social dimensions of learning situational learning and concepts of communities of learners Collaborative Learning in Higher Music Education seeks to respond to the challenge of becoming more conscious of the creative and multiple dimensions of social interaction in learning music in contexts ranging from interdisciplinary projects to one to one tuition and not least in the contemporary context of rapid change in the cultural industries and higher education as a whole It brings together theoretical papers and case studies of practice Themes covered include collaborative creativity communities of practice peer learning co teaching as co learning assessment and curriculum structures Chapters illuminate reasons for enabling collaborative learning and provide exemplars of innovative practice and designs for collaborative learning environments in higher music education A central purpose of the book is to scaffold change to help in meeting the rapid changes in society and to find constructive stepping stones or signposts for teachers and students
