THE SLEEPER AWAKES & THE TIME MACHINE (Dystopian Classics) H. G. Wells, 2017-03-05. When *The Sleeper Awakes* is a dystopian science fiction novel about a man who sleeps for two hundred and three years, waking up in a completely transformed London where, because of compound interest on his bank accounts, he has become the richest man in the world. The main character awakes to see his dreams realized and the future revealed to him in all its horrors and malformities. *Time Machine* is a dystopian story of a time traveller who witnesses the degradation of the human race in the future where society has been split into two class factions. But will he ever return to tell his tale? H. G. Wells (1866-1946) was an English writer who was prolific in many genres, including the novel, history, politics, social commentary, and textbooks, and rules for war games. Wells is now best remembered for his science fiction novels and is called a father of science fiction along
