Tips Language Learning:

The No-Nonsense Guide to Language Learning Benny Lewis, 2018-09-22 Benny Lewis rocks Tim Ferriss author the Four Hour Working Week Benny was enormously helpful in planning my year without English Scott Young Rapid Learner Benny's destiny was to never speak Spanish or any other language At school he spent years studying Irish and German Even after all this study he still couldn't speak them By the time he reached his 20s he could only speak English Yet he ignored the call of destiny and decided to learn Spanish anyway These days Benny speaks over 10 languages all self taught and runs the world's most popular language learning blog Fluent in 3 Months How has he achieved this He's devoted his adult life to discovering language hacks faster and smarter ways to learn a new language Inside The No Nonsense Guide to Language Learning you'll discover Why Benny's destiny was to never speak Spanish and how he did it anyway The smartest decision you can ever make for your language learning How to learn a new language fluently How beginners can outsmart expert language learners Why the CIA wrong and it doesn't take 1 000 hours to learn a language The 7 most common mistakes language learners make and how to fix them How to practise speaking a foreign language without travelling overseas If you want to learn how to speak a new language pick up your copy of The No Nonsense Guide to Language Learning today How to Learn Any Language in a Few Months While Enjoying Yourself Nate Nicholson, 2015-05-01 How to Learn a New Language in as Little as a Few Months and Have a Boatload of Fun Doing It Let me make a prediction I predict that many many hundreds of people who will read this description will close this page in a few seconds Learn a new language in a few months Are you out of your mind they'll say It's just too good to be true And they will go back to their old language learning methods You know which methods toiling away at mind numbing grammar exercises learning words nobody uses and most importantly never actually using your skills to communicate with another person If you're still with me I expect you to be different You think there must be something better After all how could people master more than one foreign language in their lives if it usually takes a regular person several years just to learn the basics The answer is simple in one way or another they follow the methods I share in How to Learn Any Language in a Few Months While Enjoying Yourself They not only learn up to ten times faster than other people they also have a lot of fun while doing it How to Learn Any Language in a Few Months While Enjoying Yourself is for you if you want to learn without this one thing you'll never learn a new language in just a few months Learn what it is and how to apply it to your everyday life to practice your skills while doing your daily activities a completely free way to get native speakers to proofread your writings and even explain to you all of your mistakes This one site alone can dramatically improve your writing skills an extremely easy way to find a native speaker willing to help you learn her mother language It's almost like having a private tutor the proper way to improve your listening skills while watching movies Most people learning a foreign language do it the wrong way and it does nothing to improve their abilities how to achieve more with less when learning languages You don't have to spend hours and hours cramming every single word and grammar

rule In fact it works to your detriment Learn what to do instead 9 common mistakes to avoid when learning languages Reading this chapter alone can save you years of ineffective studies especially mistake 3 so common among language learners a 5 step process to improve your reading skills You can make your learning process much more enjoyable and effective by choosing the right things to read Learn what these things are a fun idea to learn how to write the way native speakers do You too can learn the slang and phrases only native speakers use and know the language better than many academic professors how to dramatically improve your language skills when traveling While it isn't necessary to go abroad to learn a language it's a powerful way to cram a lot of learning into just a few days 5 common challenges of language learners and how to deal with them Learn how to get over the fear of communicating with native speakers Discover how to find more time to learn and practice your skills Read three tips on how to deal with discouragement If you're ready to supercharge your progress and become fluent in a foreign language in as little as a few months click the buy button Why kill yourself doing things the old non effective way if you could make the process much easier and enjoy it more too P S As a gift for buying my book you'll get a resource list with my favorite language learning sites Keywords learn a language in 3 months learn a foreign language learn another language learn any language become fluent in any language be fluent in 3 months learning languages learn languages learn languages fast language learning methods learning a new language learning a language learning foreign languages learning another language how to learn a new language how to learn a foreign language [Zero Foreign Language](#) Mohd Mursalin Sa'ad, 2023-06-15 People think that learning a new foreign language is tough but instead the secret is not intelligence but interest determination and discipline That said having a strategic learning program a good curriculum and resources to study Most importantly the style of study skills The strategic language study guide For those who have given up learning a foreign language due to the intricacy of language courses here is support for learning a new language With this guide those who have been discouraged by the complexity of language courses can now learn a new language with confidence Mohd Mursalin is thirty years old and speaks 4 languages fluently Despite his busy schedule he took night classes That didn't work for him either Instead he started learning by himself In order for him to learn the language he needed language resource books He ventured into bookshops and bought some books that would help him improve his vocabulary Using simple techniques and free online resources Not to mention speaking with the locals He spent hours reading these books and looking up words he didn't understand thereby gradually expanding his knowledge and deepening his understanding of the language There had never been any translation of phrases in the university the student has to challenge himself by searching for meanings in the dictionary And a dictionary is a great tool The keyword is you need reference books and education resources to improve your vocabulary memory improvement and study skills In Zero Foreign Language Mohd Mursalin reveals his secrets and techniques for language learning His innovative strategies and easy to follow instructions are sure to help others experience his success in learning a language quickly and effectively The author cites examples of
