

failure of the assignment to failure of the course. Repeated acts of academic dishonesty may have more severe institutional ramifications. The consequences for cheating in this class are listed below:

- **Any violation of the Academic Honesty Code of Conduct will result in a failing grade for the course.**

Personal Technical Skills Required To Take the Course

This online class will not teach you how to use the computer, use Blackboard, navigate the web, or manage your electronic files. If you are having difficulties, you may contact your instructor, IT helpdesk (208-562-3444), and/or tutoring services (see student resources of Blackboard for information regarding tutoring services). For those participants who fear they may not be able to navigate the technical skills of this course, please use CWI services and/or see the instructor before dropping the course. We want you to succeed.

You will need to possess the ability (or be able to quickly acquire) the following minimum technology skills:

- Navigate, browse, and use the Internet and Blackboard.
- Download/upload/create/save/edit/open Word or PDF documents, video, and audio
- Download/upload and listen to or view audio and video files

ADDITIONAL CONSIDERATIONS FOR THE ONLINE COURSE:

1. I must emphasize again...you must have access to a reliable computer and the internet, plus **backup plans** (another computer, access to a library or computer lab, etc.). If you don't have internet access for more than a day, you risk falling behind.
2. **Computer failure or an inability to get to a working computer is not an excuse for missed assignments.** If availability of a machine is in question, or if because of travel or work you cannot get on the internet at least several times a week, re-evaluate taking this online course.

Hardware and Software Requirements

You may not be able to view all course content through mobile devices and therefore may miss important information. Therefore, you must have daily access to a computer that has:

- Mac OS X, Microsoft Windows XP, or equivalent
- Internet browser equivalent to Explorer 7.0 or higher (for example, Firefox, Opera, Chrome, or Safari).
- Dependable High-Speed Internet access with at least 1.5 Mbps download and .5 Mbps upload. You can use speedtest.net to check your speed.
- Microsoft Word or equivalent Word Processing Software (e.g., OpenOffice suite). A link for downloading OpenOffice software for free is available under the "CWI Student Resources" button.
- Adobe Reader, Adobe Flash Player, iTunes, QuickTime Player or equivalent software. You will find these links under the "CWI Student Resources" button.
- A backup option must be available for all of the above items, should your primary access fail for any reason.
- Access to hardwired internet access (as opposed to wifi or cell phones) to submit documents, quizzes, and test.

Methods of Communication

Communication in this course will take place in several ways such as the Grade Center, Discussion Board, email, and/or Blackboard announcements. Please check Blackboard and your email daily to make sure you are not missing important information regarding class content and deadlines.
