

ALICE IN WONDERLAND

OPTION A - ALICE: Why, how impolite of him. I asked him a civil question, and he pretended not to hear me. That's not at all nice. I say, Mr. White Rabbit, where are you going? Hmmm. He won't answer me. And I do so want to know what he is late for. I wonder if I might follow him. Why not? There's no rule that I may not go where I please. I--I will follow him. Wait for me, Mr. White Rabbit. I'm coming, too! How curious. I never realized that rabbit holes were so dark . . . and so long . . . and so empty. I believe I have been falling for five minutes, and I still can't see the bottom! Hmph! After such a fall as this, I shall think nothing of tumbling downstairs. How brave they'll all think of me at home. Why, I wouldn't say anything about it even if I fell off the top of the house! I wonder how many miles I've fallen by this time. I must be getting somewhere near the center of the earth. I wonder if I shall fall right through the earth! How funny that would be. Oh, I think I see the bottom. Yes, I'm sure I see the bottom. I shall hit the bottom, hit it very hard, and oh, how it will hurt!

Jacques Rivette and French New Wave Cinema James R Russo, 2023-03-18 This first comprehensive English collection of the interviews of Jacques Rivette 1928-2016 documents his career through chronology, filmography, bibliography, and image stills. A comprehensive introduction places this work in the wider context of twentieth-century social change. Rivette's films like many of the works of the French New Wave seem to have avoided the aging process entirely, remaining as playful, fresh, and quietly spectacular as the day they were made. Indeed, his body of work may be the most impressive of the French New Wave. *Celine and Julie Go Boating* (1974) has been recognized as possibly the best film to emerge from the post-New Wave era, even as *Paris Belongs to Us* (1961) is one of the best pictures to emerge from the New Wave itself. Rivette was hardly the most prolific director, however, and the length of his films has often counted against him. Nonetheless, his clinical self-reflexive essays in film form reveal him as a cinematic purist whose commitment to the celluloid muse hardly diminished from the heady days of the early 1950s to the end of his career in 2009. Beyond inspiring the New Wave movement and continuing to reflect and reflect on its central tenets, Rivette's enduring contribution to the history of film is unquestionably evident in his sensitive treatment of the histories and destinies of women, especially through strong roles for actresses. During the six decades of his career, nonetheless, he struck a subtle balance not only between female and male characters but also between political and personal obsession, between myth and fiction, between theater and cinema, in films that in addition to having influenced such contemporary filmmakers as Claire Denis, Jim Jarmusch, Olivier Assayas, and David Lynch, continue to redefine the art of cinema around the world.
