Andersons Business Law 21st Edition:

Research Anthology on Business Law, Policy, and Social Responsibility Management Association, Information Resources, 2023-12-21 The complicated interactions between business law and societal expectations pose an unprecedented challenge in modern commerce. Businesses navigate an intricate ecosystem shaped by legal principles, government regulations, and evolving societal values. The *Research Anthology on Business Law Policy and Social Responsibility* comprehensively explores critical issues as societal expectations for responsible business practices rise across a four-volume collection. The anthology's timely significance makes this reference with an exhaustive coverage an indispensable resource. Carefully curated, the collection sheds light on the latest trends, techniques, and applications in business law and policy. Covering topics from the transformation of business ethics in the digital era to the role of multi-national corporations in enforcing competition laws, the anthology serves as a vital reference for academics, lawyers, policymakers, and business professionals. Libraries seeking expansive and diverse research materials will find this anthology to be an exceptional solution, enriching the academic environment and serving as an invaluable tool for researchers, educators, and students. The *Research Anthology on Business Law Policy and Social Responsibility* is a comprehensive addition to any institution's collection, addressing the diverse needs of those exploring the landscape of business law and policy. **Reshaping Entrepreneurship**

Education With Strategy and Innovation Ayandibu, Ayansola Olatunji, 2020-10-02 New small business owners are constantly pressured to play a major role in the economic growth of their respected nation. However, revitalizing how individuals think, research, teach, and implement performance strategies to improve the operations of these small businesses is critical to entrepreneurial success. *Reshaping Entrepreneurship Education With Strategy and Innovation* is an essential reference source that discusses strategies to overcome performance barriers as well as implementation of effective entrepreneurial processes based on a wide range of global issues. Featuring research on topics such as authentic leadership, business ethics, and social entrepreneurship, this book is ideally designed for entrepreneurs, business professionals, scholars, researchers, students, and practitioners seeking coverage on innovative performance operations of small businesses. **SMEs and Economic Development in Africa** Gift Mugano, Nirmala Dorasamy, 2023-09-15 Small and medium-sized enterprises (SMEs) are a driving force of the global economy, contributing up to 50% of gross domestic product in some instances. They also contribute to economic development through various channels such as employment creation, economic growth, and poverty reduction, key elements of the Sustainable Development Goals. Furthermore, in many economies, the majority of jobs are provided by SMEs. However, despite their support of the economy, SMEs are prone to several binding constraints such as access to finance and market entry, as well as exogenous shocks and crises. Most recently, the COVID-19 pandemic. Building on evidence from international experience, *SMEs and Economic Development in Africa* provides grounded solutions to challenges affecting SMEs, particularly in Africa, and offers guidance on how to build resilience to counteract future shocks. It

also offers a number of policy measures which governments in developing countries may need to consider in order to encourage economic growth and development such as increasing productive capacities training enhancing business ethics and professionalism and improving competitiveness What makes this book distinctive is that fact that it brings together the literature concerning SMEs in one place and using case studies it showcases how policymakers can overcome the challenges affecting SMEs The book also provides tested and practical remedies for African economies with a view to making SMEs a springboard for economic prosperity The book will appeal to advanced students scholars and researchers as well as policymakers development agencies and non governmental organisations
