Andy Richter Controls The Universe Episode Guide:

TV Guide ,2006 **Comic Drunks, Crazy Cults, and Lovable Monsters** David Scott Diffrient,2022-12-01

Contradictory to its core the sitcom an ostensibly conservative tranquilizing genre has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of programming But the sitcom also conceals as much as it reveals masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty minute episode Examining a broad range of network and cable TV shows across the history of the medium from classic working class comedies such as *The Honeymooners* *All in the Family* and *Roseanne* to several contemporary cult series animated programs and online hits that have yet to attract much scholarly attention this book explores the ways in which social imaginaries related to bad behavior have been humorously exploited over the years The repeated appearance of socially wayward figures on the small screen from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons has the dual effect of reducing complex individuals to recognizable types while neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior if only in passing

Broadcasting & Cable ,2001-09 *Friends* , *Television Without Pity* Tara Ariano,Sarah D. Bunting,2006 From weekend long Real World marathons to the People s Choice Awards from favorite characters Brenda Walsh Seth Cohen to the most unfunny recurring skits on Saturday Night Live this is a celebration of television unlike any other 100 illustrations

The New York Times Index ,2002 **Kissing Bill O'Reilly, Roasting Miss Piggy** Ken Tucker,2007-04-01 According to Ken Tucker television is where the mass culture action really is It s where the weasel goes pop But for such a fluid of the moment democratic yet cool medium a strangling accretion of false pieties half remembered history and misplaced nostalgia has grown up around it the prose equivalent of choking vines In this book Ken Tucker shares his zealous opinions about the best and worst of television past and present Everyone has firm beliefs about what he loves and hates about TV If TV fans think the high point of televised political wit was M A S H or that Johnny Carson was the true king of late night Ken Tucker does his damndest to convince them that they ve been hoodwinked duped by pixilated mists of memory and bad TV criticism His dazzling provocative and entertaining pieces include *LOVES* James Garner as TV s Cary Grant Pamela Anderson s breasts David Brinkley the only anchor who understood that being an anchor was a hollow ego trip Heather Locklear as the ultimate TV Personality Bill O Reilly why the biggest asshole on TV is a great TV personality And from his *HATE* lists *The Sopranos* as *The Great Saga* *That Sags* Miss Peggy as media star Bob Newhart Human Prozac Worst Mothers on TV *Star Trek Sci Fi* suckiness decked out as utopian idealism His perception and passion about this much maligned medium gives the lie to passive clich s like vegging out in front of the boob tube This book is the TV version of Michael Moore s *Stupid White Men* or
