is not easy but its fun The Master Attunement This is the level you will be taught how to do the attunements This is a simple process to teach you how to pass on this healing system to other people the power within you has increased The ability to regenerate tissue within you has increased now your internal BA and KA channels are starting to increase in strength and are used to heal your internal body systems with more efficiency Channels the main ones are the meridians the KA channels and the fine BA channels these flow through the immune system and through the minute cell matrix systems this is where most of the problems arise when the body starts to break down In a domino effect through out the bodies physical Holographic matrix All this is irrelevant because you don t need to know all this to use this healing system IE if you drive a car you only need to know how to drive it There is no need to know how to fix it for this you call in an expert mechanic Its the same for universal healing to fix your self call in the angels and they will fix you Most of your self healing and expansion and learning has now taken place from this point on you will receive information and guidance from me as an equal The 2nd phase level This is an expansion of your physical and emotional awareness you will feel peace throughout your being this expansion may be felt by every one around you they may see the difference in you as you gain more control over the environment around you The Grand master Attunement This attunement will in time dispel completely the egos control over you bringing you into balance Allowing the I am Presence to shine through Your peaceful light may shine around you for about 200 miles this is your aura
