David Waddington Memoirs David Waddington, 2012-07-26 As a lynchpin of Margaret Thatcher's final Cabinet David Waddington was at the heart of British politics at the passing of arguably the most defining government of the twentieth century His memoirs are a testament to many years of loyal service to the Conservative Party first as a determined constituency MP then as a cajoling and shrewd Chief Whip Home Secretary during the turbulent Strangeways prison riots and finally as Leader of the Lords These memoirs describe Lord Waddington's varied life from his adventurous childhood in Lancashire to an eventful stint in the army including memorable postings to Hong Kong and Singapore and a highly acclaimed career as a Queen's Counsel not to mention his time as Governor of Bermuda Decoration renown and public praise colour Lord Waddington's life but it is his humility and wry Lancastrian take on the world that impress most a potent mix of intelligence duty and a sense of humour courses through every page In his Memoirs David Waddington allows us to glimpse a period of huge importance in British political history while also making clear the roots and principles that propelled him so far **Tell**, 2007 *Proceedings* Nigeria. Central Intelligence Agency,1963 **Daily Graphic** Yaw Boadu-Ayeboafah,2006-05-24 **Student visas** Great Britain: Parliament: House of Commons: Home Affairs Committee,2011-03-25 This report from the Home Affairs Select Committee cautions the Government against introducing measures which could damage the UK s thriving educational export sector The Committee remains concerned that a number of the Government proposals could have serious unintended consequences International students make up 10% of first degree students and over 40% of postgraduate students at UK universities The international student market estimated to be worth 40 billion to the UK economy is a significant growth market and the UK is the second most popular destination in the world for international students The Committee s findings include the importance of the Post Study Work route in attracting students to the UK and disagrees with the Government proposal to close it it suggests alternatives to the Government s proposals on language requirements specifically a permanent change to the parameters of the student visitor visa so that it can be used as a viable route for all of those attending pre degree programmes it supports the Government s proposals to tighten the accreditation of language schools but is concerned that Government approval of the current accreditation bodies has lapsed The Committee calls for a single streamlined accreditation system and agrees that any cap on student visas is unnecessary and undesirable the Committee also notes that progress has been made on closing down bogus language schools and supports the Government s intention to crack down on bogus colleges and bogus students but it is not persuaded that students are migrants as defined by the UN and suggests that students ought to be excluded from net migration numbers The Committee also raises concerns that the data used in assessing migration figures are not fit for purpose and could inhibit effective policy making **Bibliography of Agriculture with Subject Index** ,1993-03
