William Shakespeare

All Great Neptune S Ocean:

Macbeth William Shakespeare, 1997-07-24 This is the most extensively annotated edition of Macbeth currently available offering a thorough reconsideration of one of Shakespeare s most popular plays A full and accessible introduction studies the immediate theatrical and political contexts of Macbeth s composition especially the Gunpowder Plot and the contemporary account of an early performance at the Globe It treats such celebrated issues as whether the Witches compel Macbeth to murder whether Lady Macbeth is herself a witch whether Banquo is Macbeth s accomplice in crime and what criticism is levelled against Macduff An extensive well illustrated account of the play in performance examines several cinematic versions such as those by Kurosawa and Roman Polanski and other dramatic adaptations Several possible new sources are suggested and the presence of Thomas Middleton s writing in the play is proposed Appendixes contain additional text and accompanying music

The Colonel Alanna Nash, 2014-06-01 Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music Elvis Presley His real name wasn t Tom Parker indeed he wasn t an American at all but a Dutch immigrant called Andreas van Kujik And he certainly wasn t a proper military colonel he purchased his title from a man in Louisiana But while the Colonel has long been acknowledged as something of a charlatan this book is the first to reveal the extraordinary extent of the secrets he concealed and the consequences for the career and ultimately the life of the star he managed As Alanna Nash prodigious research has discovered the Colonel left Holland most probably because at the age of twenty he bludgeoned a woman to death Entering the US illegally he then enlisted in the army as Tom Parker But with supreme irony for someone later styling himself as Colonel Parker s military career ended in desertion and discharge after a psychiatrist had certified him as a psychopath He then became a fairground barker working sideshows with a zeal for small scale huckstering and the casual scam that never left him And by the height of Elvis s success Parker had become a pathological gambler who at the same time as he was taking amazingly a full 50% of Presley s earnings frittered away all his wealth in the casinos of Las Vegas As Nash shows therefore the often baffling trajectory of Elvis Presley s career makes perfect sense once the secret imperatives of the Colonel s life are known Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there Even at his most famous Elvis was still being booked to play out of the way towns in North Carolina because the former fairground barker who shamelessly negotiated as such even with top record company and film executives knew them from his days on the circus circuit And Elvis was trapped playing years of arduous seasons in Las Vegas two shows nightly seven days a week until boredom and despair brought on the excessive drug use that killed him because for Parker he was an open chit whose huge earnings prevented his manager s losses at the gambling tables being called in Alanna Nash knew Parker towards the end of his life and has now uncovered the whole story improbable shocking and never less than compelling of how this larger than life man made and then unmade popular music s first and greatest superstar
