Old Age in Ancient Judaism, Early Christianity, and Their Contexts Albertina Oegema, Seth A. Bledsoe, 2025-08-08 The collection of chapters in this volume explores the significance of old age for Jews and Christians as well as Greeks and Romans in antiquity By examining a diverse range of sources the authors in this volume elaborate on the manifold ways that old age functioned as a social discourse in ancient Jewish Christian Greek and Roman contexts The discussions herein demonstrate how perceptions of old age were closely intertwined with notions of authority and wisdom gender and social dynamics social and familial anxieties and the body and disability They show that conceptualizations of old age are far more prevalent and significant to ancient social and political structures rhetorical discourse and religious imagination than one might expect By including studies on old age in different religious and cultural contexts the volume highlights the commonalities as well as the many

differences that existed among various communities in antiquity This volume is of interest for students and scholars of religion particularly for those working on Jews Christians Greeks and Romans in the ancient Mediterranean as well as scholars in classical studies and ancient history It is also a valuable resource for gerontologists who wish to explore the historical background of present day notions of old age

Ancient Rome II Tim McNeese, 1999-09-01 Ancient Rome II provides an overview of the growth and fall of the Roman Empire from the life and death of Julius Caesar to the empire's division Special emphasis is given to the daily life of ordinary people as well as to the great political and cultural achievements which shaped the course of the Western world The rise of Christianity the lives of the emperors and the internal and external conflicts which led to Rome's decline are all vividly documented in this richly illustrated text Challenging map exercises and review questions encourage meaningful reflection and historical analysis A unit test and answer key are included

Early Christianity Mark Humphries, 2006-04-18 Examining sources and case studies this book explores early Christianity how it was studied how it is studied now and how Judaeo Christian values came to form the ideological bedrock of modern western culture Looking at the diverse source materials available from the earliest New Testament texts and the complex treatises of third century authors such as Lactantius to archaeology epigraphy and papyrology the book examines what is needed to study the subject what materials are available how useful they are and how the study of the subject may be approached Case study chapters focus on important problems in the study of early Christianity including the book of Acts as a text revelatory of the social dynamics of cities and as a text about the inherent tensions in Hellenistic Judaism orthodoxy and organization in early Christianity early Christianity and the Roman empire Also including a comprehensive guide for students that lists major collections of literary and non literary sources major journals and series and major text books it is an excellent aid to the study of Christianity in history

The Social Results of Early Christianity Charles Schmidt, 1889 *A History of Rome under the Emperors* Theodor Mommsen, 2005-11-03 This book caused a sensation when it was published in Germany in 1992 and was front page news in many newspapers For readers of English it will be an authoritative survey of four centuries of Roman history and a unique window on the German tradition of the last century Theodor Mommsen d 1903 was one of the greatest Roman historians of the nineteenth century and the only one ever to be awarded the Nobel Prize for Literature His fame rests on his History of Rome as well as his work on Roman law and on the Roman provinces But the work that would have concluded his history of

Rome which ran to the reign of Augustus was never completed This book represents that great lost work In 1980 Alexander Demandt discovered in an antiquarian bookshop a full and detailed handwritten transcript of the lectures on the Roman Empire which Mommsen gave for many years from 1863 to 1886 made by two of his students This transcript has been edited to provide the authoritative reconstruction of the book Mommsen never wrote A History of Rome Under the Emperors Barbara and Alexander Demandt have carefully edited the text and provided detailed annotation and explanatory references For the English edition Professor Thomas Wiedemann has written an introduction which surveys Mommsen's position and influence in nineteenth century German scholarship and introduces his work for English speaking readers **Bible**

Problems Solved by Early Christians David W. T. Brattston, 2020-10-13 This book deals with questions or problems encountered in the Bible where answers can be found in the ante Nicene fathers The fathers were uniquely qualified by being close in time and culture to Christ himself when his unwritten teachings and Scripture interpretations and those of the apostles were still fresh in Christian memory It is designed for sincere readers of the Bible who may from time to time be puzzled by the occasional passage which seems out of step with the rest of the Scriptures or our usual impression of Christian teaching This work is written for individual and group Bible students without advanced theological qualifications rather than the intellectual market It is written for use in Bible studies in local congregations or church history classes especially in sessions when the pastor or teacher is unable to attend Bible Problems Solved by Early Christians is different from almost all other works and ministries which give solutions to problems or questions because the answers in the book come not from a modern day comparison of different verses within the Bible itself or from the interpretations of any particular religious denomination but from Christian writers who lived in the first centuries after Jesus Writing the

History of Early Christianity Markus Vinzent, 2019-03-14 Brings a new approach to the interpretation of the sources used to study the Early Christian era reading history backwards This book will interest teachers and students of New Testament studies from around the world of any denomination and readers of early Christianity and Patristics *Pagans and Christians in Late Antiquity* A. D. Lee, 2015-08-11 In *Pagans and Christians in Late Antiquity* A D Lee documents the transformation of the religious landscape of the Roman world from one of enormous diversity of religious practices and creeds in the 3rd century to a situation where by the 6th century Christianity had become the dominant religious force Using translated extracts from contemporary sources he examines the fortunes of pagans and Christians from the upheavals of the 3rd Century through the dramatic events associated with the emperors Constantine Julian and Theodosius in the 4th to the increasingly tumultuous times of the 5th and 6th centuries while also illustrating important themes in late antique Christianity such as the growth of monasticism the emerging power of bishops and the development of pilgrimage as well as the fate of other significant religious groups including Jews and Manichaeans This new edition has been updated to include additional documentary material including newly published papyri an expanded chapter on the emperor Constantine greater

attention to church controversies in the fourth and fifth centuries thoroughly updated references and further reading taking into account developments in modern scholarship during the past fifteen years Pagans and Christians in Late Antiquity is an invaluable resource for students of the late antique world and of early Christianity and the early Church **History of the Rise and Influence of the Spirit of Rationalism in Europe** William Edward Hartpole Lecky, 1878 *History of the Rise and Influence of the Spirit of Rationalism in Europe* Lecky, 1887
