Myers, 2017-10-18 The real question for homiletics in our increasingly postmodern post Christian contexts is not how we are going to prevent preaching from dying but how we are going to help it die a good death Preaching was not made to live At most preaching is a witness a sign a crimson X marking a demolition site The church has developed sophisticated technologies in modernity to give preaching the semblance of life belying the truth preaching was born under a death sentence It was born to die Only when preaching embraces its own death is it able to live This book then is a bold homiletical manifesto against preaching in support of preaching and beyond preaching to the entire worship experience It troubles modern homiletical theologies in light of the trouble always already at work within preaching Hereby it supports a way of preaching and teaching preaching that moves counter to the wisdom of this world It aims to join in God's self revealed counterlogic of superabundance that saturates and thereby breaks open worldly systems of thought and practice The purpose of this book is to expose preaching to its own death to help it embrace its death so that it can discover what eternal and abundant life might look and feel like **When God Writes Your Story** Joseph Okai Ardayfio Esq., 2025-03-31 Faith oriented inspirational and motivational When God Writes Your Story presents a collection of stories from the Bible that provide a deeper understanding of God's plan for your life and give guidance for navigating your own unique situations The messages invite you to experience God's blessings during life's ups and downs Pastor Joseph Okai Ardayfio chronicles the journey of a group of men and women in the Bible met by God God found each of these individuals in their places of need and weaved their life experiences toward goodness Each story illustrates how God transforms even the most challenging
