Brass Diva Caryl Flinn,2007-11-30 Broadway star Ethel Merman s voice was a mesmerizing force and her vitality was legendary yet the popular perception of La Merm as the irrepressible wonder falls far short of all that she was and all that she meant to Americans over so many decades This marvelously detailed biography is the first to tell the full story of how the stenographer from Queens New York became the queen of the Broadway musical in its golden age Mining official and unofficial sources including interviews with Merman s family and her personal scrapbooks Caryl Flinn unearths new details of Merman s life and finds that behind the high octane personality was a remarkably pragmatic woman who never lost sight of her roots Brass Diva takes us from Merman s working class beginnings through the extraordinary career that was launched in 1930 when playing a secondary role in a Gershwin Brothers show she became an overnight sensation singing I Got Rhythm From there we follow Merman s hits on Broadway her uneven successes in Hollywood and her afterlife as a beloved camp icon This definitive work on the phenomenon that was Ethel Merman is also the first to thoroughly explore her robust influence on American popular culture

Basically there are three measures of success in the cinema First off are pictures like *The Crowd* and *Applause* that achieve rave reviews and even go on to win awards but don't recover their negative costs Then there are the movies the critics hate but the public enjoys All three versions of *Back Street* for instance Finally come the pictures everyone loves like *From Here To Eternity* or *Sunset Boulevard* In the annals of success in Hollywood's Golden Age one name stands out above all others Cecil B DeMille His famous pictures reviewed here include both versions of *The Buccaneer* *The Crusades* *Sign of the Cross* *The Story of Dr Wassell* and *Union Pacific* But the book also notes a DeMille B movie that tied up a fair amount of money but proved so unpopular it was released in some territories as a support The book also covers some of Hollywood's other disastrous failures including the M G M movie that cost over 4 million to make and returned virtually nothing **American**
