Think! Different Andreas Boskugel,2015-03-25 Think Different is a different kind of self help book the author Andreas Boskugel is well known in Europe and appreciated for his clear and direct manner Boskugel has taken the law of attraction to its systematic and logical conclusion This book is completely free of otherwise typical references to moral or religious standards because the law of attraction like all natural laws isn t based on morality or religion Consequently the author has a very different take than do others on success for example he doesn t idolize hard work honesty and gratitude ad absurdum for these are only religious and cultural based opinions and actually contradict the law of attraction The author also forgoes otherwise typical teachings

about what is right or wrong after all what is right is individually defined Feigned pity or morality sermons are also not included in this work This work is for those who love the integrity of the law of attraction and prefer clarity over political correctness And it s for those who really want to get somewhere in life and who therefore question existing opinions It s for people who are able to think on their own instead of going with the flow For many it was not until reading this book that they finally understood the law of attraction for the topics in this book are more logically organized than in other popular works and insights are offered that can dramatically improve the lives of readers Completely new insights about the existing laws of life can help readers become invincible masters of their own destiny Keywords Law of Attraction Self Help Success Wealth Dream Wish Fulfillment Love Relationship Money
