1, 2, and 3 John Mavis M. Leung, 2025-08-21 This commentary approaches 1 2 and 3 John as social discourses and seeks to provide insights into the use of language in these epistles within their situational contexts The method of discourse analysis employed to analyze the texts and linguistic characteristics in 1 3 John is based on the model of systemic functional linguistics proposed by Michael A K Halliday The interpretative task of this commentary is to analyze the ways in which the author draws on the vast resources of language to convey his ideas to the

audience and accomplish his purposes Despite the adoption of systemic functional linguistics the use of jargon is avoided in the interpretation of the Johannine Epistles and the commentary does not demand from the reader a mastery of this discourse analysis method The insights offered will help open up the text of 1 3 John in a fresh way *Interpreting the General Letters* Herbert W. Bateman IV, 2014-11-07 This handbook is designed as a step by step approach for analyzing and communicating eight letters of the New Testament Hebrews James the Petrine Letters the Johannine Letters and Jude Interpreting the General Letters provides important background material for the interpretation of these books by exploring the types and component parts of letter writing the importance of an amanuensis the historical background of the Greco Roman world and implications of each of these factors for interpreting the general letters This foundation is followed by a discussion of the theology of the general letters Specific consideration is given to the era of promise in Hebrew Scriptures the era of fulfillment as underscored in the general letters and how the theology of each letter contributes to the overall canon of Scripture Finally Bateman provides nine steps that move from interpretation to communication three steps for preparing to interpret the letters three for interpreting and finally three for communicating the letters All explanations include examples in order to develop a student's or pastor's skills for accurate interpretation and convicting communication of God's Word See page 21 for full series details [1, 2, and 3 John](#) Karen H. Jobes, 2014-02-11 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes 1 3 John In her commentary on John's letters Karen H. Jobes writes to bridge the distance between academic biblical studies and pastors students and laypeople who are looking for an in depth treatment of the issues raised by these New Testament books She approaches the three letters of John as part of the corpus that includes John's gospel while rejecting an elaborate redactional history of that gospel that implicates the letters Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God **Sacra Pagina: 1, 2, and 3 John** John Painter, 2016-03-16 The Johannine Epistles are today read as an important part of the Johannine literature Yet the meaning of the text is often unclear Part of the problem arises because although 1 John is called an Epistle it lacks the formal marks of an Epistle In 1 2 and 3 John John Painter illuminates the relationship 1 2 and 3 John have to each other and to the Gospel Painter explains the historical context of the Johannine Epistles using a socio rhetorical approach The writings are shown to reflect a situation of

conflict and schism within the Johannine community they seek to persuade the readers of the truth of the writer's message. In this truth the readers are encouraged to abide if they would have the assurance of eternal life. Painter also examines the inseparable connection between belief and ethical life in active love for one another. Through the socio-rhetorical approach Painter brings to light the continuing relevance of these writings.

Love and the Law Benjamin Szumskyj, 2025-08-01 When Messiah Yeshua told his disciples, "If you love me, you will keep my commandments" (John 14:15), what exactly did he mean? Was he referring only to the commandment to love, only to the teachings given during his earthly ministry, or also to the commandments found in the Torah? *Love and the Law: A Pronomian Pocket Guide to John 14:15* tackles this question by examining the verse in its immediate context, exploring parallel passages in the Johannine Literature, clearly defining the Greek terms used in the verse, and maintaining a high view of bibliology. In this short book, Dr. Benjamin Szumskyj challenges the traditional interpretations of John 14:15 and encourages readers to consider a pronomian/pro-law perspective. With a commitment to exegetical consistency and the continuity of Scripture, this work invites believers to reexamine what it truly means to love Yeshua by doing his commandments from Mt. Sinai to the closing of the canon.

Life in the Son Clive Bowsher, 2023-07-25 In John's Gospel, the Father and Son are described as being in one another. This NSBT volume from Clive Bowsher shows that union with Christ in John's Gospel and letters is the in-one-another relationship of believers with the Father and Son by the Spirit, the intimate, loving, relational participation of the believer and God.
