Caliendo,2018-05-15 Why does inequality have such a hold on American society and public policy And what can we as citizens do about it Inequality in America takes an in depth look at race class and gender based inequality across a wide range of issues from housing and education to crime employment and health Caliendo explores how individual attitudes can affect public opinion and lawmakers policy solutions He also illustrates how these policies result in systemic barriers to

advancement that often then contribute to individual perceptions This cycle of disadvantage and advantage can be difficult though not impossible to break Representing and What Can I Do feature boxes throughout the book highlight key public figures who have worked to combat inequality and encourage students to take action to do the same The second edition has been thoroughly revised to include the most current data and to cover recent issues and events like the 2016 elections and the Black Lives Matter movement It now also includes a brand new chapter on crime and criminal justice and an expanded discussion of immigration Concise and accessible Inequality in America paves the way for students to think critically about the attitudes behaviors and structures of inequality *Arts & Humanities Citation Index* ,1980 The Boundaries of Desire Eric Berkowitz,2015-08-01 The act of reproduction and its variants never change much but our ideas about the meaning of sex are in constant flux Switch a decade cross a border or traverse class lines and the harmless pleasures of one group become the gravest crimes in another Combining meticulous research and lively storytelling The Boundaries of Desire traces the fast moving bloodsport of sex law over the past century and challenges our most cherished notions about family power gender and identity Starting when courts censored birth control information as pornography and let men rape their wives and continuing through the sexual revolution and into the present day when rape gay rights sex trafficking and sex on the internet saturate the news Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality By focusing on the stories of real people Berkowitz adds a compelling human element to what might otherwise be faceless legal battles The law is made by people after all and nothing sparks intolerance on the left and right more than sex Ultimately Berkowitz shows the emptiness of sanctimonious condemnation and argues that sexual questions are too subtle and volatile for simple catch all solutions
