

Compare and Contrast

Read the two passages below. Think about similarities and differences between the two passages.

Rebounding Problems

Jaylin was warming up with his teammates before the big game. Although he was trying to focus on practicing his layups, Jaylin couldn't help but glance at the other team every now and then. Their center was so tall! Usually Jaylin was the best rebounder on the court, but he was worried that he wouldn't be able to rebound when that tall center was anywhere near him.

After the game started, Jaylin continued to watch the center, whose name was Gregory. Just as he had feared, Gregory was excellent at getting rebounds. Jaylin was running out of energy trying to keep up with him.

Coach Mike noticed his exhaustion and pulled him out of the game. "Take a break and catch your breath," Coach Mike said. "But while you're resting, watch Gregory closely. See if you can figure out what his weakness is."

As Jaylin watched, he realized that Gregory always stood to the left of the basketball net, even if it was more likely that the ball would rebound to the right. When Jaylin went back into the game, he decided he would head to the right side of the net any time he was going to try for a rebound.

This strategy worked! Jaylin started getting more rebounds, and his team stayed in the lead for the rest of the game, eventually winning!

Basketball Worries

Autumn had been biting her nails for the last 5 minutes. She always did that when she was nervous. Her son Jaylin had been playing great, but the center for the opposing team, Gregory, was really tall. Autumn was worried that Jaylin was going to get hurt as he tried to get as many rebounds as he could.

Every time Jaylin and Gregory jumped for a rebound, Autumn held her breath, hoping that Jaylin would be ok. The two boys had collided in the air several times. Once, Jaylin had even crashed to the ground. He had laid unmoving on the floor, eyes closed, for what seemed like hours to Autumn. Just as Autumn had started to run towards the court, Jaylin opened his eyes, jumped up, and acted like nothing had happened.

Autumn walked down to the court anyways to talk with Coach Mike.

"I know you're nervous," Mike had said, "but you shouldn't be. Jaylin knows what he's doing and how far he can push himself."

Autumn knew Coach Mike was right, but she was Jaylin's mom. She couldn't help but worry. The game was almost over, and then Autumn would be able to breath easy. But for now, Autumn would continue to bite her nails as she nervously watched the game.

Everyday Comprehension Intervention Activities Grade 5 with CD Sandy Riggs, 2009 1 Book 1 CD ROM

Paul's Conundrum Amy Karen Downey, 2011-01-01 Was Paul an anti Semite Was Paul a self hating Jew Was Paul misunderstood and wrongly accused This is the debate that has been raging for almost two millennia Paul s conundrum seeks to answer these questions through an analysis of his two most controversial passages 1

Thessalonians 2 13 16 and Romans 9 1 5 Amy Downey has sought to reconcile these passages through a conservative evangelical approach that not only considers the Jewish man Paul but also Paul the Apostle of Messiah Jesus Downey considers the historical setting of the two passages analyzes the exegesis of the passages in question and seeks to respond to three separate but unique theological controversies that arise out of these letters She finds defective three modern positions 1 1 Thess 2 13 16 as a post Pauline interpolation likely expressive of Paul s anti semitism 2 the modern post Holocaust theory of dual covenants according to which Gentiles are saved through Jesus and the Jews through the Law of Moses hence all national Israel will be eschatologically saved and 3 replacement theology i e God has rejected the Jews as His chosen people and replaced them with believing Gentiles traceable to the Epistle of Barnabas and Ignatius of Antioch and in effect bringing the spiritual genocide of the Jewish people and making Rom 9 1 5 inexplicable Hopefully by the end of this book the reader will be left with only one question Just how far was Paul willing to go to realize the salvation of the Jewish people Downey

opts instead for ethnic Israel's place in the covenant and for salvation solely through the death and resurrection of the Messiah for both Jews and Gentiles thus laying the foundation for urgently needed present day Christian witness to the Jewish people
