*Anarchism and Other Essays* Emma Goldman, 2019-11-20 In *Anarchism and Other Essays* Emma Goldman presents a compelling exploration of anarchism emphasizing its philosophical depth and political urgency The collection comprises a series of essays that dissect conventional societal norms touching on themes such as freedom feminism and anti authoritarianism Goldman s eloquent and impassioned prose is both scholarly and accessible making complex ideas digestible for a broad audience Set against the backdrop of late 19th and early 20th century political turmoil these writings argue for a reimagined society unfettered by oppressive structures reflecting the spirit of the burgeoning anarchist movement Goldman a prominent political activist and feminist was deeply influenced by her tumultuous experiences as an immigrant and her exposure to radical thought Her activism and incarceration during the early labor movements informed her staunch critiques of capitalism and centralized power Goldman s unique voice reflects her fervent commitment to social justice as she sought to empower individuals against systemic oppression a stance that marks her as a pivotal figure in

anarchist thought *Anarchism and Other Essays* is an essential read for anyone interested in political philosophy social movements or the historical context of anarchism Goldman encourages readers to question accepted norms and envision a more equitable world making this collection not only relevant but also inspiring for contemporary activists and scholars alike

*Extreme Virtue* Crispin Sartwell, 2012-02-01 *Extreme Virtue* presents a new and radical approach to the problems of leadership and virtue in public life Originating in the author's newspaper writing about the Clinton Lewinsky scandal the book grapples with what has gone wrong in the American political system and describes what we should look for in our leaders Sartwell argues that the real problem is a pervasive lack of truth in political leaders and that more can be accomplished by straight talk than by polling and focus groups The book consists of biographical portraits of five great Americans anarchists Emma Goldman and Voltairine de Cleyre conservative senator Barry Goldwater Lakota spiritual leader John Fire Lame Deer and black nationalist Malcolm X The author argues that what makes these figures distinctively American is that each shares a suspicion of power and a vision of individual liberation Despite their distinctive and unique approaches each person is a model of truth in public life
