R. Bray, B. Brady, L. A. Pham, E. Williams, M. Montaigne, 2014-10-28 The National Disability Insurance Scheme NDIS is one of the major policy innovations of the early 21st century in Australia representing a new way of delivering services to people with a disability and those who care for them It has the potential to transform the lives of hundreds of thousands of people giving them greater certainty and control over their lives There is a higher incidence of disability in the Aboriginal and Torres Strait Islander population than in the Australian population more generally so the NDIS is of particular relevance to Indigenous Australians However Indigenous Australians with a disability have a very distinct age geographic and health profile which differs from that of the equivalent non Indigenous population Furthermore the conceptualisation of disability and care in many Indigenous communities particularly in remote areas may differ markedly in comparison to more settled parts of the country and there is the added complexity of a unique history of interaction with government In considering these issues in detail this Research Monograph provides a resource for policy makers researchers and service providers who are working in this important policy area Its major conclusion is that the NDIS if it is to be an effective policy for Indigenous Australians needs to take into account their very particular needs and aspirations *AI, Agents and Automation for Remote Teams 2025* Jens Belner, 101-01-01 AI Agents and Automation for Remote Teams 2025 Supercharge Productivity Slash Meetings and Make AI Your Competitive Advantage The Future of Remote Work Is Here Are You Ready Remote work isn't a trend it's the new reality But let's be honest managing a remote team is hard Too many messages Too many meetings And way too much wasted time That's where AI steps in In AI Agents and Automation for Remote Teams 2025 you'll discover how to harness AI powered tools to cut busywork improve team collaboration and make your remote operations unstoppable Whether you're a
