Expanding Waistlines David Campos,2007-01-01 Many health experts agree that childhood obesity is an epidemic in the modern world In the United States alone government data suggest that the number of overweight or

obese children is nearly triple the number of 1980 and there are no signs that this incidence is decreasing Information like this cannot be ignored or trivialized because excess weight can prove damaging to general wellness Indeed overweight or obese children and youth risk a wide range of medical complications Extra pounds can also negatively impact their well being which can cause long term mental health problems In short if the childhood obesity crisis is left forsaken an unprecedented generation of youth will have a diminished quality of life Expanding Waistlines is ideal for child advocates and youth serving professionals who seek to learn more about childhood obesity A prominent feature of Expanding Waistlines is that each chapter poses a series of questions relevant to school personnel such as What can I do at my school and in my classroom How should I approach my students who are overweight or obese What are some key elements I should look for when evaluating a potential program Specifically the book explores the factors that contribute to obesity in society and the associated risks of excess weight on children and youth Subsequent chapters discuss how to promote healthy eating practices and regular physical activity at school and home The final chapters report on specific resources Expanding Waistlines also features the latest demographic data BMI calculations and classifications recommended guidelines for health Wellness Policy requirements and food label information

The Survival Guide for Kids with Behavior Challenges Thomas McIntyre, 2013-08-08 Many kids and teens have challenges when it comes to behavior In this revised edition of his time tested book Thomas McIntyre provides up to date information practical strategies and sound advice to help kids learn to make smarter choices make and keep friends get along with teachers take responsibility for their actions work toward positive change and enjoy the results of their better behavior New to this edition are an Are you ready to change quiz updated glossary and resources and a fresh organization and design This is a book for any young person who needs help with behavior A special section at the back addresses diagnosed behavior disorders
