celebrated commando unit The Sayeret Matkal is comparable to the US militarys Delta Force and is responsible for some of Israels high profile security missions They also conduct highly sensitive assassinations sabotage and psychological warfare projects PJ became an expert in all of these He earned the reputation of the best in the business and after leaving the Sayeret Matkal he was recruited by the CIA After fifteen years of performing political assassinations he finally reached a point when he no longer wished to continue in the killing business That was when he retired and moved to Las Vegas where he became a high stakes poker player He played the game of poker the same way he lived his life When he attempted to do something he was all in He never did anything half hearted In poker all in means you could be betting all of your money on the turn of a card When he played this way sometimes he won with the best hand Other times he would win by bluffing the other players After his twin brother and girlfriend are murdered gangland style PJ vows revenge Then when the Las Vegas police department warns him not to get involved he explains to them that he intends to go All In There is no way they can prevent him from taking revenge In life like in poker sometime you have to go all in The story takes the reader on a roller coaster ride from Las Vegas to New York and from there to Chicago and back You will meet Anita his brothers widow Joey Sconsi a would be wise guy and Joseph Cantelli an old world Mafia Don You will be introduced to Tozzi the hit man and Sid Mastro the unlucky ex con who finds himself in the middle of an ill conceived murder plot The characters will jump off the page and keep you wondering what will happen next All In is a must read
