Girard, James Girard, 2011-01-28 Criminal Investigations Forensic Science Vehicle Compatibility in Automotive Crashes Stanley H Backaitis, 2005-03-29 For years reducing the number of traffic related fatalities and injuries has been a major problem throughout the world Today it has gained much more momentum in view of rapidly increasing SUV van and light truck populations relative to the number of passenger cars and due to significant improvements in technologies that facilitate a better understanding of the interaction dynamics among widely differing size vehicles Unless disparities in crashworthiness among vehicles of different masses sizes and structural characteristics in mixed crash environments are successfully taken into account the challenge toward improved vehicle safety will continue This two part compendium provides the most comprehensive information available on the entire spectrum of vehicle crash compatibility The first part presents oral comments captured from the 2003 SAE World Congress panel discussion on compatibility The panel of leading experts representing industry academia and government provides a rough framework and a broad range of views on current and emerging developments in compatibility research The second part of this compendium features 44 best technical papers from SAE International and the International Technical Conference on the Enhanced Safety of Vehicles published from the early 1970s through 2004 Readers will get a feel for the direction passenger car and heavy vehicle manufacturers research institutions infrastructure suppliers insurers and governments are taking to reduce the number of traffic fatalities and injuries Lemon-Aid Used Cars and Trucks 2010-2011 Phil Edmonston, 2010-05-11 The automotive maven and former Member of Parliament might be the most trusted man in Canada an inverse relationship to the people he writes about The Globe and Mail Lemon Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production This brand new edition of the bestselling guide contains updated information on secret service bulletins that can save you money Phil describes sales and service scams lists which vehicles are factory goofs and sets out the prices you should pay As Canada's automotive Dr Phil for over 40 years Edmonston pulls no punches His Lemon Aid is more potent and provocative than ever The Crimson Flake R. L. Knight, 2004-03 The Crimson Flake is a tale of two tales

diverse and well separated by time and locale Each is an emotional human struggle and the two are on a collision course The first tale concerns a rather large and often irreverent man who silently craves danger and shares his life with a cat called Sam They both love the same woman but while the cat openly demonstrates his emotions toward her the man struggles with feelings of love and commitment feelings he knows deep down to be absolute truths In addition he wrestles with a nagging internal death wish and a disturbing intuitive ability an ability he loathes but one that s kept him alive The second involves a struggle we ve known since the beginning when Eve encountered the serpent There are evil things They re where you would expect them but they re also where you wouldn t You don t see the man in the crowd whose eyes are fixed on you who follows you who snatches you from your life and your life from you unnoticed little slices of time This is the story of such an encounter of how evil can spring from the most benign and tranquil environment of one person s courage and willpower to battle such madness a battle that ultimately defines her life It s the story of two reclusive brothers who live deep in an otherwise hushed and beautiful forest but who because of an emotionally tortured mother and her twisted influence have littered the peaceful woodland with the remains of nine vibrant young women all in the name of God But not all of the remains were scattered No The prettiest parts were saved They re in the barn One brother is inherently evil born evil and is descending deeper into the abyss He is beyond redemption and only death can stop him The other is struggling with thoughts he didn t know he could have before she came He s being pulled in one direction by a despicable but settled way of life and in the other by her She is Willie a skinny nineteen year old inner city kid who is there quite by accident and fighting for two lives Over time bizarre circumstances cause the paths of the big man and the girl to converge The two become allies and make for perhaps the strangest heroic duo imaginable They stumble and falter along the way but the union is a formidable one They recover more powerful in a final assault and the evil is left lying as dust beside the road
