Memory in Ancient Rome and Early Christianity Karl Galinsky, 2016 Memory in Ancient Rome and Early Christianity presents perspectives from an international and interdisciplinary range of contributors on the literature history archaeology and religion of a major world civilization based on an informed engagement with important concepts and issues in memory studies

The Cambridge History of Ancient Christianity Bruce W. Longenecker, David E. Wilhite, 2023-08-24 The first three hundred years of the common era witnessed critical developments that would become foundational for Christianity itself as well as for the societies and later history that emerged thereafter The concept of ancient Christianity however along with the content that the category represents has raised much debate This is in part because within this category lie multiple forms of devotion to Jesus Christ multiple phenomena and multiple permutations in the formative period of Christian history Within those multiples lie numerous contests as varieties of Christian identity laid claim to authority and authenticity in different ways The Cambridge History of Ancient Christianity addresses these contested areas with both nuance and clarity by reviewing synthesizing and critically engaging recent scholarly developments The 27 thematic chapters specially commissioned for this volume from an international team of scholars also offer constructive ways forward for future research
