Unsettling Translation Mona Baker, 2022-05-30 This collection engages with translation and interpreting from a diverse but complementary range of perspectives in dialogue with the seminal work of Theo Hermans A foundational figure in the field Hermans's scholarly engagement with translation spans several key areas including history of translation metaphor norms ethics ideology methodology and the critical reconceptualization of the positioning of the translator and of translation itself as a social and hermeneutic practice Those he has mentored or inspired through his lectures and pioneering publications over the years are now household names in the field with many represented in this volume They come together here both to critically re-examine translation as a social political and conceptual site of negotiation and to celebrate his contributions to the field The volume opens with an extended introduction and personal tribute by the editor which situates Hermans's work within the broader development of critical thinking about translation from the 1970s onward This is followed by five parts each addressing a theme that has been broadly taken up by Theo Hermans in his own work translational epistemologies historicizing translation performing translation centres and peripheries and digital encounters This is important reading for translation scholars researchers and advanced students on courses covering key trends and theories in translation studies and those engaging with the history of the discipline The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Christmas Evans, the Preacher of Wild Wales Edwin Paxton Hood, 2022-05-29 In *Christmas Evans the Preacher of Wild Wales* Edwin Paxton Hood offers an extensive exploration of the life and legacy of one of Wales' most renowned preachers Christmas Evans Hood's narrative intricately weaves biographical detail with theological insight presenting Evans as a formidable figure in the Welsh religious landscape of the 18th and 19th centuries The author's eloquent prose captures the vibrant spirituality of the time while situating Evans' work in the broader context of the revivalist movements that characterized Welsh culture The book is structured in a manner that allows the reader to appreciate not only Evans' eloquence in the pulpit but also the tumultuous social and spiritual backdrop against which he preached Edwin Paxton Hood was deeply entrenched in the religious and social issues of his era drawing on his own experiences as a minister and scholar of theology Hood's commitment to advancing social justice and spiritual enlightenment resonated strongly with Evans' own mission His close examination of Evans' life reflects a thoughtful engagement with the complexities of faith in the often rugged terrain of Welsh identity and the socio-political climate of his time This work is highly recommended for those interested in religious history particularly in the Welsh context as it not only highlights the significance of Christmas Evans but also provides a thoughtful lens through which to contemplate the evolving nature of faith and community Hood's portrayal invites readers to delve into the spiritual fervor that shaped Wales making it an essential read for both scholars and laypersons alike
