The *Research Anthology on Business Law, Policy, and Social Responsibility* comprehensively explores critical issues as societal expectations for responsible business practices rise across a four-volume collection. The anthology's timely significance makes this reference with an exhaustive coverage an indispensable resource. Carefully curated, the collection sheds light on the latest trends, techniques, and applications in business law and policy. Covering topics from the transformation of business ethics in the digital era to the role of multinational corporations in enforcing competition laws, the anthology serves as a vital reference for academics, lawyers, policymakers, and business professionals. Libraries seeking expansive and diverse research materials will find this anthology to be an exceptional solution, enriching the academic environment and serving as an invaluable tool for researchers, educators, and students. The *Research Anthology on Business Law, Policy, and Social Responsibility* is a comprehensive addition to any institution's collection, addressing the diverse needs of those exploring the landscape of business law and policy.

Reshaping Entrepreneurship Education With Strategy and Innovation Ayandibu, Ayansola Olatunji, 2020-10-02 New small business owners are constantly pressured to play a major role in the economic growth of their respected nation. However, revitalizing how individuals think, research, teach, and implement performance strategies to improve the operations of these small businesses is critical to entrepreneurial success. *Reshaping Entrepreneurship Education With Strategy and Innovation* is an essential reference source that discusses strategies to overcome performance barriers as well as implementation of effective entrepreneurial processes based on a wide range of global issues. Featuring research on topics such as authentic leadership, business ethics, and social entrepreneurship, this book is ideally designed for entrepreneurs, business professionals, scholars, researchers, students, and practitioners seeking coverage on innovative performance operations of small businesses.

Insolvency Law in East Asia Roman Tomasic, 2016-05-23 Insolvency law reform has become a subject of public urgency in many countries in the past two decades and particularly in much of Asia over the last ten years. This volume provides an overview of insolvency laws and related rules and procedures in the countries of East Asia. The book comprises two introductory chapters dealing with issues such as legal culture and cross-border insolvency before examining the fourteen principal jurisdictions in the region. Each chapter addresses the key themes of different insolvency regimes such as the legal system and culture, personal insolvency laws, corporate insolvency rules, court-based schemes of arrangement, winding-up procedures, liquidators, enforcement, and offences. This title will be an invaluable guide to academics, practitioners, and policy makers working in the areas of comparative and commercial law.

Management and Resilience of African Organizations in Times of Crisis

Shani D. Carter, Sara Bensal, 2024-05-16 Businesses in African countries continued to face crises due to COVID 19 supply chain and climate change Governments can take steps to increase businesses resilience by supporting and promoting sustainable development In turn businesses can increase their resilience by promoting the resilience of their employees This book explores the current state of management and resilience in African nations and discusses issues that revolve around its reciprocal impact on global business government and society Featuring select papers from the 4th Annual Current Business Issue in African Countries CBIAC Conference held in Agadir Morocco in 2023 this book focuses on the synergies between climate change supply chain and sustainable development particularly post pandemic featuring content from business and NGO leaders faculty and students The impetus of the CBIAC conference was the discussions held at the United Nations Conference on Trade and Development UNCTAD held in Nairobi Kenya in July 2016 and in Bridgetown Barbados and Geneva in October The goal of the conference is to create long term collaborative relationships between business leaders faculty researchers students and community members from different African nations

SMEs and Economic Development in Africa Gift Mugano, Nirmala Dorasamy, 2023-09-15 Small and medium sized enterprises SMEs are a driving force of the global economy contributing up to 50% of gross domestic product in some instances They also contribute to economic development through various channels such as employment creation economic growth and poverty reduction key elements of the Sustainable Development Goals Furthermore in many economies the majority of jobs are provided by SMEs However despite their support of the economy SMEs are prone to several binding constraints such as access to finance and market entry as well as exogenous shocks and crises most recently the COVID 19 pandemic Building on evidence from international experience SMEs and Economic Development in Africa provides grounded solutions to challenges affecting SMEs particularly in Africa and offers guidance on how to build resilience to counteract future shocks It also offers a number of policy measures which governments in developing countries may need to consider in order to encourage economic growth and development such as increasing productive capacities training enhancing business ethics and professionalism and improving competitiveness What makes this book distinctive is that fact that it brings together the literature concerning SMEs in one place and using case studies it showcases how policymakers can overcome the challenges affecting SMEs The book also provides tested and practical remedies for African economies with a view to making SMEs a springboard for economic prosperity The book will appeal to advanced students scholars and researchers as well as policymakers development agencies and non governmental organisations

Legal and Ethical Standards in Corporate Insolvency Elizabeth Streten,2024-06-17 Recent financial crisis and the global financial impacts of the COVID 19 pandemic have brought renewed interest to the regulation and practice of corporate insolvency and restructuring Modernisation of the insolvency profession and the regulation of its practitioners is a contemporary concern and recent years have seen significant reforms of

insolvency law The success of such reforms can be enhanced through a clear understanding of difficulties faced by the insolvency profession in achieving successful restructuring and insolvency outcomes and through the determination of effective solutions to those difficulties However there is limited empirical data to inform the day to day practice of insolvency nor the difficulties experienced by insolvency practitioners in pursuing insolvency and restructuring solutions This book addresses this absence of data and understanding examining the role and practice of corporate insolvency practitioners and exploring the challenges that they encounter Offering an empirical study together with a comparative analysis of the experiences of practitioners around the world this book facilitates a greater understanding of corporate insolvency practice confronting a misunderstanding of and under confidence in corporate insolvency practitioners making it key reading for academics practitioners and regulators working in the area of corporate insolvency *Searching the Law, 3d Edition* Frank Bae,Edward Bander,Francis Doyle,Joel Fishman,Paul Richert,2021-12-13 Anderson's Business Law and the Legal Environment, Comprehensive Volume David P. Corporate Governance in the 21st Century Luke Nottage,Leon Wolff,Kent Anderson,2009-01-01
Corporate Governance in the 21st Century is a very useful addition to the literature on corporate governance in Japan It is worth reading simply because it updates many of the ongoing issues such as adoptions of takeover defenses appointments of independent directors and increases in foreign direct investment It is also useful because it examines corporate governance from the perspectives of business as well as law Furthermore it provides the beginnings of a framework through which to understand the process of gradual transformation Christina L Ahmadjian Journal of Japanese Studies An invaluable set of resources for everyone with an interest in corporate governance in Japan Covering both basic information and recent developments the collection provides readers with an excellent survey of the complexity of modern corporate governance and its legal setting in Japan Hideki Kanda University of Tokyo Japan The essays in this collection approach Japanese corporate governance in the 2000s from a variety of novel perspectives novel in terms of subject matter methodology and points of comparison The result is a comprehensive portrait of the current dynamics of change and stasis in the institutional environment for Japanese firms Curtis Milhaupt Columbia Law School US The lost decade of economic stagnation in Japan during the 1990s has become a found decade for regulatory and institutional reform Nowhere is this more evident than in corporate law In 2005 for example a spate of reforms to the Commercial Code culminated in the new Company Act a statute promising greater organisational flexibility and shareholder empowerment for Japanese corporations competing in a more globalised economy But does this new law herald a more Americanised system of corporate governance Has Japan embraced shareholder primacy over its traditional loyalty to other key stakeholders such as main banks core employees and partners within diffuse corporate keiretsu groups This book argues that a more complex gradual transformation is unfolding in Japan a process evident in many other post industrial economies The book brings together contributions from academics and practitioners from Japan Australia New Zealand Canada and the United States It includes chapters on comparative corporate governance theory and methodology lifelong employment the main bank system board structures and governance issues in small and medium sized enterprises The procedural substantive and FDI policy dimensions of takeover law and practice are discussed as well as empirical changes to corporate governance practices in large publicly listed companies during the past

twenty years The authors rich mix of national disciplinary and professional backgrounds allows for a broad comparative perspective on developments in Japanese corporate governance The book will be of great interest to scholars and students of law business political economy and Japanese studies and will also appeal to corporate lawyers and policymakers
