Introduction S. A. Ambanasom, 2009 In this eclectic and compelling book Ambanasom sets out to achieve three primary objectives to introduce the reader to the extensive body of Cameroonian novels in English to re examine the distorting and limiting criteria upon which the critical assessment of the Cameroonian novel in English has so far been based and to bridge the widening chasm between literary theory and actual critical practice To achieve these objectives Ambanasom begins by elaborating an alternative and flexible theoretical framework which he christens the Socio Artistic Approach and which according to him is concerned with both a text s thematic moral cultural or ideological issues on the one hand and its central literary analysis on the other He then proceeds to use this new critical framework to examine twenty seven major Cameroonian novels in English
