consciousness that the philosopher's mirror may become a kaleidoscope through which reality may be contemplated First order truth lies in the realm of discovery and discovery takes place only within the moment of subjective re enactment

Word Drops Paul Anthony Jones,2016-04 From aardvark to zenzizenzizenic *Word Drops* collects a thousand obscure words and language facts in one fascinating chain of word associations Did you know for example that scandal derives from the Latin for stumbling block and originally described a trap for a wild animal In nineteenth century slang a wolf trap was a corrupt casino Casino means little house in Italian Roulette means little wheel in French A wheeler is someone who attends auctions to bid on items merely to increase their sale price Such links take readers on an unexpected journey through linguistic oddities Inspired by the popular HaggardHawks Twitter account *Word Drops* also uses an intriguing series of annotations to add background and historical context on everything from Anglo Saxon cures for insanity to Samuel Pepys's cure for a hangover This unique book will delight anyone who loves language etymology and word games Not for sale in the United Kingdom Europe Australia or Canada

God's Creation James Tucker,2009-06-18 Veritas vos liberabit The truth shall set you free Karl Marx termed religion the opiate of the masses A kind of drug which most Christians utilize to ease their conscience and induce a feel good state of mind Gods Creation is an attempt to prompt Christians to get off the drug Not to withdraw from religion but just the opposite To withdraw from the complacent palliative and conscience easing state of mind of a part time Christian To replace this false feel good religion with a consciously arrived at faith and belief based upon facts utilizing a logical rational reasoning mind This book is disturbing and enlightening It is mind bending and life altering It is disconcerting as most will learn what their parents priests ministers or rabbis taught them was not necessarily the truth Gods Creation attempts to motivate the indifferent Christians to utilize their God given mind to seriously think about what they actually believe and to conduct their lives according to that belief Jesus warned Many are called but few are chosen Are you among the chosen few

James Tucker,2005-07-01 Very few of the titles whether fiction or

non take a serious analytical look at the Bible as a biblical scholar or theologian would This is where God s Inferno differs from the majority It utilizes logical rational reasoning to analyze what that Bible actually says not what most have been lead to believe It seriously attacks the present Christian faith as their tenants and doctrines are based on a very faulty interpretation of what the Bible actually says It maintains and proves the god of the Old Testament is not the Supreme God but merely what the Jewish people of Israel pictured their god to be Naturally if he is not the Supreme God then Jesus is not the Son of that Supreme God but may have been the son of that hateful murderous vengeful god of the Old Testament From the founding of Christianity it traces its impact through the first 1500 1600 years of the Catholic Church the keepers of the faith during that time It documents the Crusades the Inquisitions and the Reformation as well as the many married priests Popes who fathered children and under aged leading fathers of the Church Finally it attempts to motivate the indifferent Christian to utilize his God given mind to seriously think about what they actually believe and to conduct their lives according to that belief
