*Psychiatry of Pandemics* Damir Huremović, 2019-05-15 This book focuses on how to formulate a mental health response with respect to the unique elements of pandemic outbreaks Unlike other disaster psychiatry books that isolate aspects of an emergency this book unifies the clinical aspects of disaster and psychosomatic psychiatry with infectious disease responses at the various levels making it an excellent resource for tackling each stage of a crisis quickly and thoroughly The book begins by contextualizing the issues with a historical and infectious disease overview of pandemics ranging from the Spanish flu of 1918 the HIV epidemic Ebola Zika and many other outbreaks The text acknowledges the new infectious disease challenges presented by climate changes and considers how to implement systems to prepare for these issues from an infection and social psyche perspective The text then delves into the mental health aspects of these crises including community and cultural responses emotional epidemiology and mental health concerns in the aftermath of a disaster Finally the text considers medical responses to situation specific trauma including quarantine and isolation associated trauma the mental health aspects of immunization and vaccination survivor mental health and support for healthcare personnel thereby providing guidance for some of the most alarming trends facing the medical community Written by experts in the field *Psychiatry of Pandemics* is an excellent resource for infectious disease specialists psychiatrists psychologists immunologists hospitalists public health officials nurses and medical professionals who may work patients in an infectious disease outbreak

**Getting to Zero** Sinead Walsh, Oliver Johnson, 2018-07-15 In 2014 a 28 year old British doctor found himself co running the Ebola isolation unit in Sierra Leone s main hospital after the doctor in charge had been killed by the virus Completely overwhelmed and wrapped in stifling protective suits he and his team took it in turns to provide care to patients while removing dead bodies from the ward Against all odds he battled to keep the hospital open as the queue of sick and dying patients grew every day Only a few miles down the road the Irish Ambassador and Head of Irish Aid worked relentlessly to rapidly scale up the international response At a time when entire districts had been quarantined she travelled around the country and met with UN agencies the President and senior ministers so as to be better placed in alerting the world to the catastrophe unfolding in front of her In this blow by blow account Walsh and Johnson expose the often shocking shortcomings of the humanitarian response to the outbreak both locally and internationally and call our attention to the immense courage of those who put their lives on the line every day to contain the disease Theirs is the definitive account of the fight against an epidemic that shook the world

**Rise of the Fourth Reich** Steve Deace, Daniel Horowitz, 2023-02-14 A Wall Street Journal Bestseller COVID 19 fascism was the worst tyranny in American history and those responsible must be held accountable so nothing like it ever happens again COVID 19 was used to launch the worst tyranny in American history which we re still facing even now It was also the worst oppression in global history since the Third Reich Just as that evil required a reckoning at Nuremberg this one does as well In this Nuremberg 2 0 we call witnesses that our elected

representatives and law enforcement agents need to hear from in order to know the full extent of the evil and who is responsible for it so that this never happens again      From Crisis to Catastrophe Mignon Duffy, Amy Armenia, Kim Price-Glynn, 2023-05-12 The COVID pandemic has shaken the material and social foundations of the world more than any event in recent history and has highlighted and exacerbated a longstanding crisis of care While these challenges may be freshly visible to the public they are not new Over the last three decades a growing body of care scholarship has documented the inadequacy of the social organization of care around the world and the effect of the devaluation of care on workers families and communities In this volume a diverse group of care scholars bring their expertise to bear on this recent crisis In doing so they consider the ways in which the existing social organization of care in different countries around the globe amplified or mitigated the impact of COVID They also explore the global pandemic s impact on the conditions of care and its role in exacerbating deeply rooted gender race migration disability and other forms of inequality      *Yearbook of International Organizations 2013-2014 (Volumes 1a-1b)* Union Of International Associations, Union of International Associations, 2013-06-21 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events      Bulletin to Management , 1997
