Zubernis, 2013-10 Once upon a time not long ago two responsible college professors Lynn the psychologist and Kathy the literary scholar fell in love with the television show Supernatural and turned their oh so practical lives upside down Plunging headlong into the hidden realms of fandom they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction And then they hit the road crisscrossing the country racking up frequent flyer miles with alarming ease standing in convention lines at 4 A M They had white knuckled encounters with overly zealous security guards one year and smiling invitations to the Supernatural set the next Actors stripping in their trailers fangirls sneaking onto film sets drunken confessions squeals of joy tears of despair wallets emptied and responsibilities left behind intrigue and ecstasy and crushing disappointment it's all here And yet even as they reveled in their fandom the authors were asking themselves whether it's okay to be a fan especially for grown women with careers and kids Crazytalkerchicks that's

what they heard from Supernatural crew members security guards airport immigration officials even sometimes their fellow fans But what Kathy and Lynn found was that most fans were very much like themselves smart capable women looking for something of their own that engages their brains and their libidos Fangasm pulls back the curtain on the secret worlds of fans and famous alike revealing Supernatural behind the scenes and discovering just how much the cast and crew know about what the fans are up to Anyone who s been tempted to throw off the constraints of respectability and indulge a secret passion or hit the road with a best friend will want to come along Unbelievable Me David Lowell, Gertrud Lola, LMT, 2016-05-07 The growth mindset makes headlines in the major news outlets such as Time Magazine The New York Times Forbes Magazine and others almost daily Shift to the GROWTH mindset today This is a hard hitting research based survey of self discovery techniques and it s a top recommendation for readers who come to it with the necessary prerequisites of absorbing a scientific and research based approach to lasting change D Donovan Senior E Book Reviewer MBR Bookwatch June 2015 Debut authors Lowell and Lola s thoroughly researched compelling self help work focuses on undoing fixed mindset thinking An inventive entertaining mix of history research and self help Kirkus Reviews Magazine January 15 2015 The fixed mindset has hindered human progress and development in the West for close to 2 000 years Discover the explicit details of how after decades of investigation eminent researchers taught numerous individuals to realized their true potential by shifting their mindset Lowell and Lola present a 5 step program based on the above research that will help you to unleash your true potential by shifting to the growth mindset A number of worksheets are provided as well as additional information on goal attainment strategies to help you put the learned material into practice and give you EVERYTHING YOU NEED TO SUCCEED So whether you re struggling in life or are already successful and just want to take it to the next level this book is for you **Handbook of Consumer Psychology** Curtis P. Haugtvedt, Paul M. Herr, Frank R. Kardes, 2018-12-07 This Handbook contains a unique collection of chapters written by the world s leading researchers in the dynamic field of consumer psychology Although these researchers are housed in different academic departments ie marketing psychology advertising communications all have the common goal of attaining a better scientific understanding of cognitive affective and behavioral responses to products and services the marketing of these products and services and societal and ethical concerns associated with marketing processes Consumer psychology is a discipline at the interface of marketing advertising and psychology The research in this area focuses on fundamental psychological processes as well as on issues associated with the use of theoretical principles in applied contexts The Handbook presents state of the art research as well as providing a place for authors to put forward suggestions for future research and practice The Handbook is most appropriate for graduate level courses in marketing psychology communications consumer behavior and advertising **CAPE** Courtney N. Plante, Stephen Reysen, Thomas R. Brooks, Daniel Chadborn, 2021-10-19 Researchers across disciplines have been studying the psychology of fans for decades Seeking to better understand fan behavior and the various factors motivating fans researchers have studied

dozens of variables in hundreds of studies of different fan groups To date however there have been relatively few attempts to integrate this sizable body of work pulling together findings across from the field to with a broader more holistic perspective This book does exactly that identifying and concisely summarizing research on 28 separate lines of inquiry on the psychology of fans and integrating it all into an empirically validated model known as the CAPE model Useful as a textbook for a fandom studies course and as a handbook for fan researchers this book is essential reading for anyone looking to better understand the state of fan psychology and wanting to conduct their own research exploring the ins and outs of fans of all sorts
