Beyond Media Literacy Lars C. Grabbe, Andrew McLuhan, Tobias Held, 2023-07-26. The interplay of physical reality and media environments is getting enhanced by new technological innovations. We are living in the age of digital aesthetics, and there is a need for individual cultural or social forms and variations of media literacy. This book seeks the limits of media literacies and to go beyond them. *Beyond Media Literacy* contributes to the wide range of the media literacy discourse with approaches in modern media theory, philosophy, art, and film theory, computer graphics, as well as the complex range of modern aesthetics. This volume monitors and discusses the relation of media and literacy in the context of media as environments with effects on psyche and society.

The Routledge Handbook of Privacy and Social Media Sabine Trepte, Philipp Masur, 2023-06-27. This volume provides the basis for contemporary privacy and social media research and informs global as well as local initiatives to address issues related to social media privacy through research, policymaking, and education. Renowned scholars in the fields of communication, psychology, philosophy, informatics, and law look back on the last decade of privacy research and project how the topic will develop in the next decade. The text begins with an overview of key scholarship in online privacy, expands to focus on influential factors shaping privacy perceptions and behaviors such as culture, gender, and trust, and continues with specific examinations of concerns around vulnerable populations such as children and older adults. It then looks at how privacy is managed and the implications of interacting with artificial intelligence, concluding by discussing feasible solutions to some of the more pressing questions surrounding online privacy. This handbook will be a valuable resource for advanced students, scholars, and policymakers in the fields of communication studies, digital media studies, psychology, and computer science. Chapter 22 and Chapter 30 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com>.
