A. Guerber,2015-06-16 Excerpt from *The Story of the Romans* This elementary history of Rome since it is intended for very young readers has been related as simply and directly as possible The aim is not only to instruct but to interest school children and to enable them as it were in play to gain a fair idea of the people and city of which they will hear so much This book is also planned to serve as a general introduction to the study of Latin which most pupils begin before they have had time to study history With little if any knowledge of the people who spoke the language they are learning children cannot be expected to take so lively an interest in the study as they would if they knew more Many a schoolboy is plunged into the *Commentaries* of C sar before having any idea of the life of that great man and as the information gained about him through the Latin is necessarily acquired piecemeal and slowly it is no great wonder that C sar has been vaguely yet vindictively stigmatized as the fellow who fought a lot of battles just so he could plague boys By gaining a general idea of the great heroes of Roman history a child s enthusiasm can be so roused that Latin will be connected ever after as it should be with a lively recollection of the great men who spoke and wrote it To secure this end the writer has not only told the main facts of Roman history but has woven in the narrative many of the mythical and picturesque tales which however untrue form an important part of classical history literature and art About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work
