Testament and keep in mind the eternal plan of redemption that unfolds progressively through the Scripture you cannot escape the fact that the book of Numbers must play its proper role in this unfolding of that plan Are you prepared to meet Christ in the book of Numbers Prepare then yourself to be surprised to find out how much this book speaks of Christ and the Gospel Henry Law dean of Gloucester in the 18th century drives us through the The Gospel of Numbers to help us see how the Word of God reveals in a prophetic and typical manner the plan of redemption made even before the creation of this Universe And Christ is at the very epicenter of this This book was published originally in 1867 This edition has been proofread typeset for eBook readers and lightly updated for modern readers **Mission Tracts** George Body,1874
