Uncle Martin's Family Joyce Konzem Pertl,2012-11-15 Uncle Martin was a man with a vivid memory and the God given gift of storytelling and rhyme He spent the first 40 years of his life with his parents caring for them while they were earth bound During those years he absorbed facts about his ancestors and enjoyed passing those stories on when opportunity arose His stories are gathered together in this manuscript for his posterity and others to enjoy The time spans four generations and from the Civil War to World War II There are stories about scoundrels and about heroes A greater portion covers the years of the Great Depression in the state of Kansas when he was growing up with his brothers and sisters Many of the included stories are about everyday living at a time when everyone was struggling to make it to the next day He testifies there were no crops no jobs and no money No matter what generation you are a part of you are sure to enjoy a true testimony of that time period as well as his personal view of family members and their antics As with all families there were some he liked and approved of and others he viewed with skepticism and a little distaste Uncle Martin passed away at the age of 89 before his stories could be published but he looked forward to that accomplishment His family is very grateful to him for his effort as he was our last link to past family history **Popular Mechanics** ,1954-11 Popular Mechanics inspires instructs and

find wild greens and to kill the animals that he loved so much This was a way of life to survive He found out the hard way his life had changed forever Many hardships make him grow up in a hurry in his tender years Uncle Andrew sent little money and gifts to help Brigom and his mother Ruth The most valued gift was a watch Brigom received for Christmas little did he know this would bring heartache when Larry a boy that lived on the mountain wanted to buy the watch and would not take no for an answer Brigom became so frightened of Larry trying to take the watch off his arm or threatening to beat him up Brigom began to walk over the mountain to the valley below and there he made friends with a family that helped him and his mother survive the winter months Mr Keyes tells him about a cave that he wanted to explore This was something he could do and not worry about Larry haunting him The mountain that Brigom loved so much had become a haunting ground Every where he went he imagined seeing Larry laughing and making fun of him Each day he became more afraid of his life Something was telling him he may have to move off the mountain or his life may be no more Fear was over taking him he even had thoughts of death
