

The animals of Manor Farm rebelled against their cruel human master, Mr Jones, chasing him off the property with Snowball and Squealer's help. Napoleon, without any commitments that define how the farm will be governed, and the animals set out to create a life of equality and justice for all.

Things on the farm seem liable to go wrong. Randolph and Spencer take control, and the pigs grant themselves special privileges, slowly becoming more like the humans they had once despised. The animals of Manor Farm eventually realize that the tyranny of Mr Jones has been replaced by that of the pigs.
