Living Footnotes in the Gospel of Luke Luuk van de Weghe,2023-08-29
 Did Luke interview eyewitnesses to write his Gospel
 Living Footnotes in the Gospel of Luke provides a careful thorough examination of Luke s claims
 Luke 1 1 4 demonstrating that he not only claims to use living sources but also did so
 It builds a corroborative evidence case towards this end not merely by accumulating unrelated strands of evidence but by showing the interconnectedness of independent lines of subtle clues in Luke s text
 These historically rich unintentional features weave together to generate a robust impression upon the reader
 Luke not only relied on living informants but in fact sifted his sources in preference of eyewitness testimony
