

Text Structure

When you understand how the writer has organized information, you will understand and remember the text better. Writers organize text in several different ways.

Cause/Effect

The text shows that one event causes another thing to happen. Look for words like "because," "then," "since," and "as a result."

Example: It rained for the first few days of the camping trip. As a result, most of the campers were restless and wanted to go home.

Comparison/Contrast

The text shows how ideas or things are alike or different. Look for words like "best," "more," "better," "less," "worse," "easier," and "than."

Example: The best time to visit the Rocky Mountains is early fall. The weather is cooler in the fall than in the summer. You will see fewer people and more animals. The fall colors are more beautiful.

Description

When you want to paint a picture with words, use description to organize your ideas. To make the picture come alive in your reader's mind, use a lot of adjectives and describe what you would see, taste, smell, feel, or hear. Adjectives are words like "pretty," "sweet," "smooth," and "loud."

Example: The cellar was cold, damp, and dark. It smelled musty and old.

Problem/Solution

The text is split into two parts: One part presents a problem, and the other part gives the solution to the problem. Look for words like "problem," "solution," "solve," and "plan."

Example: The city of Taylor has fifteen public swimming pools. In the past, plenty of lifeguards have been available for staffing the pools throughout the summer. Most of the lifeguards were teenagers out of school for the summer. This year, however, not enough lifeguards have signed up to work. The city has started asking healthy, retired people to be lifeguards. They will be trained by the city for free if they will agree to work 10 hours per week at a city pool. They will be paid \$8 an hour for their work.

The problem: Taylor doesn't have enough lifeguards to staff its city swimming pools.

The solution: Encourage retired people to become certified lifeguards and work at the pools.
